Two Belleville High Seniors Win in National Merit Tests

BELLEVILLE — Two intellectually able high school seniors attending Belleville High School have been named semi-finalists in the 1968-69 National Merit Scholarship Program.

The students selected were Richard (Rick) Emerson, 17,

155 East Columbia Street, John P. Ford, principal of the high school, announced.

They were among the highest scorers in Michigan on the National Merit Scholarship Qualifying Test given last February. Nationally, 15,000 high school seniors in 17,500 schools participated in the program.

chairman last year; Student Council representative of JETS.

HE PLAYED football four years and is a member of this year's varsity team. He also was manager of the Varsity and Reserve basketball team while

"THEY SHOW high promise for leadership in their adult careers. They have already demonstrated both high intellectual capacity and a readiness to develop their abilities," said John M. Stalnaker, president of the National Merit Scholarship Corporation when reporting on the semi-finalist selections throughout the nation's school systems.

The Belleville High seniors were notified of their selection Sept. 16. They will now have to take Scholarship Aptitude Tests at Ypsilanti High School on Nov. 2 for the finals.

Emerson, during his school attendance, has been president of the National Honor Society, president of the BHS Concert Choir, president of the U.N. Club, three-year delegate to the United Nations Assembly and

Proposed Medical Center For Area Gets Support

BELLEVILLE — New and larger medical facilities is "just what is needed in the Belleville area" was the repeated comment from residents following last week's disclosure of plans for a medical center.

The Belvii Community Hospital Association has filed a request with the Greater Detroit Area Hospital Council, Inc. for approval to construct a proposed \$2 million new and modern hospital structure to serve the Belleville area and its adjacent communities.

A decision on the request, heard by the Council last Wednesday, Sept. 25, in Detroit, is awaited by the Board of Directors of the Association, owners and operators of the Belvii Community Hospital, 105 Main Street.

William E. Hinchey, hospital administrator, admitted that many area inquiries on the proposed Medical Center has been received by phone and in the mail. The calls had been

favorable and in support of the hospital expansion program.

IT WAS also announced Monday, that Blue Cross has extended the Belvii Community Hospital's Blue Cross participation for another six months. The present Blue Cross participation program for the hospital expired Sept. 30.

The Medical Center is being proposed so that the health needs of the community can be more adequately served, Hinchey announced.

If approved, the fully equipped and new modern hospital would replace Belleville Hospital that is outgrowing the

increasing need by area residents for its services and for a population of some 50,000 people living in the areas now being served by the hospital.

Many complaints have been made by residents as to the long trips required to procure adequate medical care.

Beyer Memorial Hospital is some 10 to 11 miles away. And the Wayne County General Hospital, located at Michigan Avenue and Merriman Road, Westland, and the Annapolis Hospital located at Annapolis and Venoy Road, Wayne, is a similar distance from Belleville area residents, it was reported.

Backing for City Status For Romulus is Growing

ROMULUS — The growing support in Romulus Township for the issue of City incorporation for the township has brought about a growing list of distinguished citizens and candidates, who are eager to speak before groups, clubs and gatherings of all sorts,

officials of the campaign committee urging Cityhood for Romulus announced. These individuals are offering their time to inform the voters on this "important" issue.

Vote on Township, City Merger Scheduled Dec. 10

Board of Supervisors Set Date of Election

Approval of Incorporation Requires Majority in Areas

BY HENRY CANTIN
ANP Staff Writer

BELLEVILLE — An election on an Annexation Proposition calling for the merger of the City of Belleville and the Township of Van Buren into one incorporated governmental unit will be held on Dec. 10, Mayor Royce E. Smith announced Monday.

The election date was set by the Ways and Means Committee of the Wayne County Board of Supervisors which had earlier approved the annexation petition initiated by Mayor Smith and the City Council.

Monday the full Board of Supervisors approved the scheduled election.

THE LEGALITY of the petitions and the signatures on the petitions (more than required under the law) were checked and approved several weeks ago by the Wayne County Prosecutor and the Wayne County Bureau of Taxation as to the free holder status of the signatures.

Up for the decision of registered voters in both the city and township is the

incorporation of the complete area of both city and township. The merger must have the approval of the majority of voters of both communities to become effective.

The annexation issue has been quiet pending the action by the full Board of Supervisors.

It is now expected to draw considerable amount of pros and cons prior to election time, it was stated.

Prominent businessmen and community leaders, both professional and social, are supporting the merger campaign, reports show.

AN EARLIER attempt to get voter approval on annexing the south portion of the township by the city was defeated. This was in 1963 and

City Seeks Advisory Vote On Recreational Millage

BELLEVILLE — A resolution calling for an Advisory Vote by the registered voters of the City of Belleville on the question of assessing a one mill tax levy to finance year-round recreation for city residents has been approved by City Council.

The Advisory Vote question will be placed on the Nov. 5 general election ballot, Mayor Royce E. Smith reported.

Earlier Van Buren Township Board adopted a resolution placing the one mill proposition on the township Nov. 5 ballot and this has already been approved by the Wayne County Clerk's office for ballot designation.

The one mill levy, if approved, would be used to finance year-round recreational programs and events for residents both young and old alike.

CURRENT PROGRAMS in the Township are financed by what ever contributions local governmental agencies will provide and other donations. Some present programs are

conducted through the cooperation of the Van Buren Public School System.

If city voters advised affirmatively on the question, monies derived would be used along with the Township one-mill levy assessments in a joint program of recreation, it was stated.

The Van Buren Recreation Commission initiated the millage proposition and urged its passage by the voters.

A suggestion box for area residents to place their suggestions and ideas for recreational programs for commission's review will be at the offices of the Enterprise-Roman during the following week.

Belleville Police Smash Auto Theft Ring Here

BELLEVILLE — A car theft ring responsible for the thefts of 40 late model cars from the Belleville area during the last month was smashed in the arrest by Belleville and area police officers of four juveniles.

Police Chief Irwin W. Stech announced that the youths, all 14 years of age, admitted stealing the cars. They told officers "We like to ride cars."

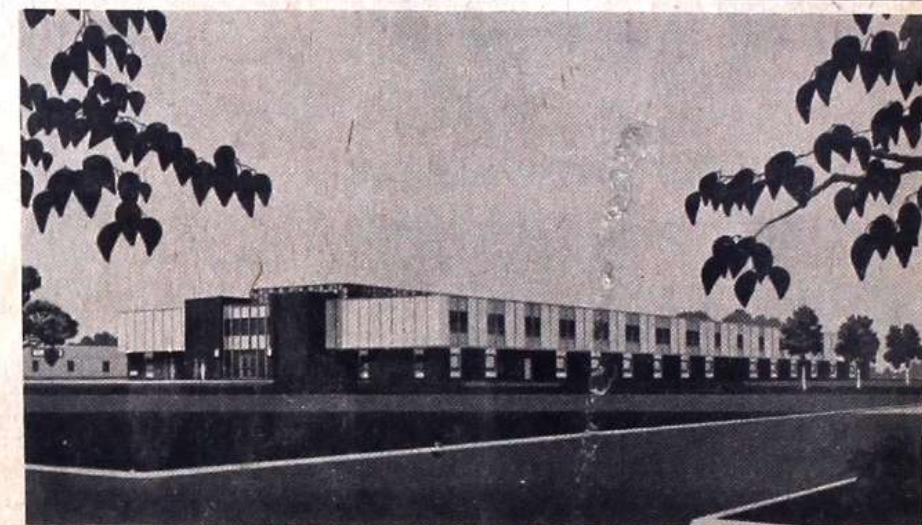

The youngsters, one from Belleville, one from Westland, and two from Sumpter were turned over to the Wayne County Juvenile Court authorities for trial.

THE CARS, mostly late model Fords, Mustangs and Chevrolets, were all recovered by various police agencies but one.

The cars were all heavily damaged when found abandoned by the young unlicensed drivers.

Chief Stech reported that the youngsters were often truants from school. Some of the cars stolen had keys left in the ignition and others were started by the young car thieves.

PROPOSED SALVATION ARMY BUILDING. The above is an architect's sketch of the new Accessory Housing Unit for the Salvation Army now proposed for a six-acre land site owned by the Salvation Army in Romulus. It is located on the north side of Goddard Road and west of Vining Road. The six-acre site is part of a larger plot (62 acres) that is to be developed by the H. F. Campbell Company of Detroit as an industrial site. The Van Buren Planning Commission has approved required rezoning and the matter is scheduled to come up before the Township Board Oct. 7.

AT OCT. 7. HEARING

Romulus Board to Decide Salvation Army Building

ROMULUS — The Romulus Township Board is scheduled to rule Oct. 7 on a rezoning petition for a proposed Accessory Housing Unit for the Salvation Army to be built in Romulus.

The petition filed by H. Campbell Company of Detroit for the Salvation Army has already been approved by both the Romulus Township Planning Commission and the Wayne County Planning Commission.

The Accessory Housing Unit is proposed for construction on a six-acre plot of land, owned by Salvation Army and located on the north side of Goddard Road and west of Vining Road.

THE SIX-ACRE parcel is a portion of a 62-acre site also owned by Salvation Army that is being programmed for an Industrial Park by the Campbell firm.

The development of the Industrial Park is contingent on getting approval for the erection of the Accessory Housing Unit, it was stated.

Existing housing on

Middlebelt Road, formerly Christian Enterprise and now owned by the Salvation Army is not fit for housing and not fit for rehabilitation.

All housing would be discontinued at this location as soon as Accessory Housing Unit is completed.

The proposed complex on Goddard Road would include the new Accessory Housing Unit which will be built as soon as rezoning is approved. An addition to the existing Renovation Building would also be constructed.

SALVATION ARMY

personnel state that this new building program would provide close supervision of personnel 24 hours a day, eliminate busing and or trucking of personnel to and from work station. It will house and rehabilitate 150 men.

The complex would improve the area with a new aesthetically pleasing structure and increase land values.

The remaining 62 acres would be released for industrial development, the Campbell firm announced thus providing a labor pool for industry.

Land Sale Probe Sought

BELLEVILLE — An investigation request into a citizen's complaint alleging a possible 'conflict of interest' involving a member of the Van Buren Township Board of Trustees has been filed with township administrative officials, it was disclosed.

The request was made by Mrs. Julie Sawmiller of 774 Sumpter Road. It relates to the purchase and subsequent sale of township located land.

Mrs. Sawmiller presented her request with accompanying documents at last week's township board meeting. Louis A. Toth promised a full inquiry.

The land parcel is now owned by the Quality Construction Company of Detroit. The firm's representatives have been before the township board in connection with its proposed residential project now

underway and involving approximately 600 homes.

The 66-acre site, located in Section 14 in the vicinity of Tyler and Haggerty Roads, was sold by owner George H. Recklin to Van Buren Trustee Edward Stoelton for a reported \$2,000 per acre.

He (Stoelton), Mrs. Sawmiller states, sold the same parcel to the Quality Construction for \$2,500 per acre. The property had a sale price of \$165,000.

Mrs. Sawmiller asked for an investigation of all phases of the transaction to determine if it constitutes any conflict of interest.

Stoelton made no comment at the meeting. Toth stated he had no knowledge of the transaction. He requested copies of the documents presented at the board session and promised an investigation.

Floyd R. Griffith UF Section Head

BELLEVILLE — A Belleville banker, Floyd R. Griffith, has been appointed a section chairman for the Western Wayne community business campaign of the 1968 Torch Drive.

Griffith is assistant vice president of the National Bank of Detroit branch at 397 Main Street.

His appointment to the Torch Drive post was announced by the Western Wayne community business unit director, Harold A. Poling, divisional controller, engine

and foundry division, Ford Motor Co.

"I am delighted this outstanding community leader has accepted such an important campaign assignment," Poling said. "We are looking forward to working with him."

GRIFFITH IS active with the Belleville Rotary Club and the Chamber of Commerce. He earned a bachelor of arts degree from Ohio Wesleyan University and took graduate

Vote Roster Adds 312

BELLEVILLE -- Vote registration in Van Buren Township have increased since August Primary Election, Mrs. Erma Jean Payne, township clerk, reported Monday.

Persons eligible to vote in the Nov. 5 general election as of Sept. 20, totaled 4,510. Prior to the primary election, vote registrations totaled 4,198.

Mrs. Payne announced that her office will be opened today (Wednesday) Thursday and Friday of this week until 8 p.m. Friday is the deadline for persons to register for the Nov. 5 election.

She also announced that five deputized registrars will be available to assist persons in registering and those persons physically unable to come to the clerk's office are asked to call the Township Hall for assistance.

4-H Club Reports

ROMULUS -- The Thunderbird 4-H Club of Romulus held its last meeting of the year at the home of Jerry Doede in Lincoln Park.

Jerry completed his last year in 4-H by being president of the club; also president of the Junior Leaders. The group wishes Jerry good luck in the near and far future.

The Thunderbirds voted three new members in for the coming year. They are Keith Kentala, David Pawlowski and Elliot Crews.

New officers were also elected, as follows: President, John Shine; Vice-President, Shalimar Beaty; Secretary, Rita Crews; Treasurer, Tim Katona; Reporter, Keith Kentala; Flag Custodian, Jeff Traskos.

"Family Day" was held at Beaty's again this year. All members competed in the Horse Show which was judged by Mr. Corwin Moore of Farmington.

Guests were Mr. and Mrs. C. A. Parker of Oklahoma who were visiting the Christian Fishers. Senior winner was Guy Klien and the Junior winner, Tim Katona. Colleen Shine took the pony honors.

A delicious dinner was served at the close of the show and was enjoyed by all.

The highlight of the day was the Old Timers Class in which the fathers discovered it wasn't so easy, after all, to win that first place ribbon!

The club's next meeting will be held at the C. Fischer home on Wayne Road Oct. 16 at 7:30 p.m. This will officially start the new 4-H year.

Is your home going to turn into a desert this winter?
A lot of homes will.

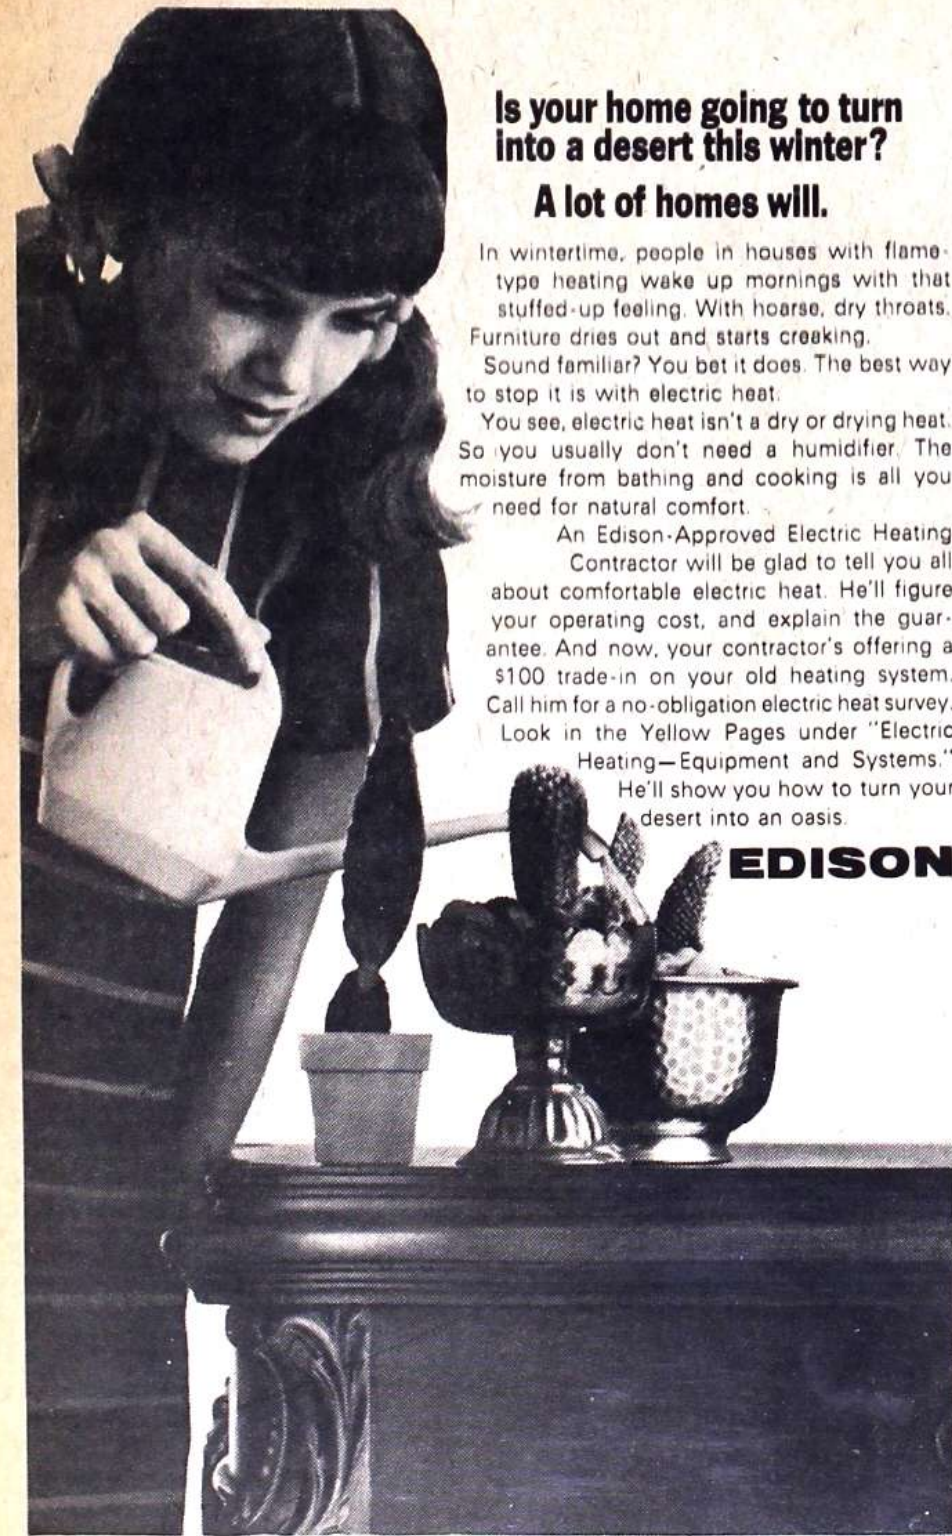

In wintertime, people in houses with flame-type heating wake up mornings with that stuffed-up feeling. With hoarse, dry throats. Furniture dries out and starts creaking. Sound familiar? You bet it does. The best way to stop it is with electric heat.

You see, electric heat isn't a dry or drying heat. So you usually don't need a humidifier. The moisture from bathing and cooking is all you need for natural comfort.

An Edison-Approved Electric Heating Contractor will be glad to tell you all about comfortable electric heat. He'll figure your operating cost, and explain the guarantee. And now, your contractor's offering a \$100 trade-in on your old heating system. Call him for a no-obligation electric heat survey. Look in the Yellow Pages under "Electric Heating—Equipment and Systems."

He'll show you how to turn your desert into an oasis.

Romulus OK's UR District

ROMULUS — In order to comply with a recently enacted state law, Romulus Township Board has approved an ordinance designating a District Area for the Development Area known as Wayne-Beverly Renewal Project.

The state law requires communities developing Urban Renewal Projects to designate the District's embracing the urban renewal programs and to establish and elect a Citizens District Council composed of residents in the District. Those elected serve as advisory and recommending agencies to government administrators.

An ordinance establishing Citizens District Council for Romulus' Urban Renewal Project was also approved by the Township Board.

An election of membership to this council was held Monday night, Sept. 30, at the Beverly Elementary School. Members are to serve two-year terms. After this year, elections will be held bi-annually on the last Monday in September.

The boundaries of the Wayne-Beverly Renewal Project were designated as follows:

The area generally bounded by the Chesapeake and Ohio Railway on the west; Howe Street extended on the east; Ecorse Road on the South; and Van Buren Road on the North.

OK HELICOPTER PAD Central PCHA Laundry Under Study

WAYNE — Significant financial and planning matters occupied the Board of Directors of the Peoples Community Hospital Authority (PCHA) at its first Fall meeting, including a decision to study the feasibility of constructing a central laundry facility for the four PCHA hospitals.

At present PCHA hospitals are either doing their own laundry, or, as in the case with Outer Drive and Seaway Hospitals, experimenting with centralized service at a single hospital.

The success and savings of the Outer Drive-Seaway experiment prompted PCHA directors to engage an architectural firm which, together with laundry consultants, will study total centralization in a single laundry facility for all hospitals.

The Board also approved the Executive Committee's summer decision to increase funds with which to purchase the proposed site for the possible fifth PCHA hospital in Taylor. The increase will provide for larger drains and sewer service at the site.

other hospitals and with industry, PCHA directors approved salary increases for specialists in such hospital departments as pharmacy, anesthesia, pathology, physical therapy and x-ray. New salaries positions in PCHA laboratories were also approved.

The Directors also approved production of a color slide film presentation of the story of PCHA for use with service clubs, church, school and community groups. The project will be produced by the PCHA public relations department.

OF PARTICULAR significance to communities participating in PCHA was the announcement by Karl S. Klicka, M.D., executive director, of a possible study of PCHA hospitals by a nationally known management consulting firm.

Dr. Klicka indicated that the study would be underwritten by Blue Cross. He said that Blue Cross is interested in such a study because PCHA provides a unique opportunity to compare management practices of hospitals under controlled conditions.

PCHA directors also approved \$12,000 for black topping a section of Outer Drive Hospital's parking area for the installation of a landing pad for helicopter ambulance service. When completed Outer Drive Hospital's "helistop" will be one of three first such hospital emergency services in the immediate Tri-County area, others being Wayne County General and the University of Michigan Hospital.

Youth Sponsors Rally

ANN ARBOR — The Huron Valley Youth for Christ will sponsor a teen rally Saturday, Oct. 12, 7:15 p.m. at Ann Arbor High School.

This will be the second teen rally of the year and the rally will feature Don Engram, former director of VCY in Detroit and Flo Price, renowned soloist from Valparaiso, Indiana.

Don Engram is presently pastor of the First Baptist Church in Pekin, Illinois. He has served there for approximately the past three years. The previous ten years Don Engram spent in the ministry of Youth for Christ and for the last seven of those years the Executive Director of Detroit's Voice of Christian Youth. Don Engram is a graduate of Moody Bible Institute and Sterling College.

Throughout his vast outreach, Don has made two trips around the world with extensive speaking opportunities in Lebanon, India, Singapore, Australia, Hong Kong, and Japan. During another trip he traveled extensively throughout all of Europe holding crusades. Don Engram is noted for his ability to communicate with teens.

WITH DON ENGRAM will be Flo Price who began her singing career at the age of two. Flo has appeared as featured soloist on radio and television programs.

She is currently featured soloist on Jack Wyrzten's Word of Life T.V. program in New York. She is in constant demand to sing in churches and concerts of Gospel music and Bible concerts. She is an organist and pianist and singer.

This year's rallies start at 7:15 and there is a pre-rally sing along with the audience. All are cordially invited to attend the rally and admission is free.

City Gets \$18,271

BELLEVILLE — State gasoline taxes and license plate fees produced a record \$309.9 million for Michigan Motor Vehicles Highway Fund in the fiscal year ended June 30, Michigan Highway Department announced.

The distributions of these funds counties and incorporated cities and villages after deductions for collections costs and paying Michigan Waterways Commission's share, brought to the City of Belleville the sum of \$18,271. This compares with \$16,484 in the 1966-67 year.

Henrik E. Stafseth, state highway director, said the reported increase of 9.6 per cent over last year was due to a hike from six to seven cents a gallon in the state gas tax, effective Jan. 1.

PROPOSAL ON NOV. 5 BALLOT 20 Seek Post on Romulus City Charter Commission

ROMULUS — The issue of City Incorporation for Romulus Township will again be placed before township voters in the Nov. 5 general election.

Since the Wayne County Board of Supervisors approved the petition filed by a citizens group composed of township businessmen and homeowners last June, interest in the city issue has grown by "leaps and bounds" amidst reports that adjacent communities might take steps to annex pieces of Romulus.

Vote registrations are increasing and as of Sept. 26 reached a new high of 7,169 persons with deadline for registering to vote in November set at Oct. 4. An earlier vote on city status in August, 1966 ended in defeat.

Twenty Romulus residents are seeking to serve on the Charter Commission that will, if voters approve the proposition to incorporate the township into a city, prepare a Charter for the proposed city.

CANDIDATES WHO will appear on the official ballot are as follows:

Alfred J. Perry, 37600 Castle Drive, present township clerk; Terry L. Troutt, 16325 Farnum; Jesse L. Tryon, 28350 Eureka Road; Alfred A. Lucke, 10636 Inkster Road; Gordon Zavits, 6640 Gloria; Joseph Saval, 37535 Castle Drive; Don Tredler, 36899 Mario Anne Court; Mrs. Zenobia Jones, 35680 Goddard Road; Mrs. Mickie Lopota, 6711 Merriman Road.

Others are: Charles L. Dick, Jr., 34449 California; Felix F. Rogalle, 36510 Goddard Road; Garnet Bunnell, 12100 Elmview; Emory Seestedt, 11576 Olive Street; Mrs. Marie De Buyscher, 37839 Westvale.

The latest to enter the race are: Lynn Coleman, 6014 Colorado; Arthur Dittmar Sr., 37104 Goddard Road; James P. Foley, 30112 Eureka Road; William M. Oakley, 9875 Tobine Road; Lawrence J. Plank, Sr., 35963 Herman; and Eugen Wilson, 34467 Van Born Road, currently chairman of the Township Housing Commission.

If voters approve the City Incorporation Proposition on Nov. 5, it doesn't mean a new city after the votes are counted but the setting up of the Charter Commission composed of the nine leading candidates. They will have to prepare a Charter for the 32-square mile township and present it to voters at a later date for the final approval and city operation.

Gerald Budd, who was reported as taking out nominating petitions is not a candidate as indicated in an earlier edition.

Bike Thefts In City Bring Police Warning

BELLEVILLE — An increase in bicycle theft complaints in the Belleville area prompted a police warning that bicycle thieves will be prosecuted and an urgent plea to bicycle owners to have their bicycles registered with city police.

Police Chief Irwin W. Stech reported that police officers have received some 25 bicycle theft complaints in the last two or three months as against an average of several in a year in previous years.

He urged owners to have their bikes registered and to be sure to have the serial number posted in the home where it is available when needed. There is no charge for registration of bikes.

Investigation of reported bike thefts disclosed that those stealing the bikes are exchanging parts and repainting the bikes. Some of the bikes have been recovered out of the city and in adjacent areas.

Keeping the bicycle under lock and key or supervision is the only sure way of combating bicycle thefts, Stech said.

DICK and BILL HOOK

If water were not so commonplace in our everyday lives we would look upon this marvelous liquid with utter astonishment. It is composed, in fact, of two of the most common elements on Earth, hydrogen and oxygen. Together, they create the only liquid that forms naturally on the Earth's surface. In many ways, water's amazing characteristics help support and sustain life. Frozen, it floats. If ice did not float, the oceans would be frozen solid from the bottom up, and there would be no life on earth. Water literally takes other molecules apart — Water did not create life — but it did assemble the necessary elements and bring it forth.

Dry cleaning is better for some fabrics than water cleaning. Be sure before you wash something. Bring it in for expert advice to HOOK'S CLEANERS INC., 32328 Mich. Ave., Wayne (PA 2-0162), 35 Main, Belleville (697-8600), and 37311 Goddard, Romulus (941-1010). Shirt in by 10 out by 4 service.

AN EDITORIAL

Preserving Liberty Is Not An Easy Job

The independence of newspapers is important because this independence is your best assurance that YOUR liberty and independence will be protected and preserved.

Newspapers make up the first line of defense against encroachment on the right of the people to know. They are outposts ever on the alert to note alarm signals and call for action when danger threatens.

Through centuries of history, people have learned that liberty is never entirely secure against violations. Even in a democracy such as ours there is the ever present threat of "managed news," the efforts to transact public business in secrecy, the controlled press conference and endless other devices designed to circumscribe the citizen's right to know.

This fight to keep newspapers independent is YOUR fight, for it is your independence which we are trying to protect. In police stations, in courtrooms, in labor headquarters and government bureaus, in executive mansions and legislative halls - today, as in the past, independent newspapers fight the good fight in defense of YOUR liberty.

National Newspaper Week is being observed during the week of October 6-12. The above thoughts should not only be emphasized during Newspaper Week but be a constant one every day of the year.

Nobody's Business

According to the Constitution, a census is supposed to be taken every 10 years. The original idea was to find out how many people lived in the United States. There was no intention to probe into their private affairs.

Now the Census Bureau is going far beyond this and wants the answers to such questions as: whether you have a home freezer, if you have been married before, how many people use your bathroom or kitchen and many other things that are really nobody's business.

The next census is due in 1970. Legislation that deserves unanimous support has been introduced to prohibit the federal government from using this occasion as a means of invading the privacy of American citizens.

After all, the purpose of the census is to count people - not the number of gold fillings in their teeth.

Letters to the Editor

TO THE EDITOR:

Recently 22 members of the Belleville Lions along with members from both the Wayne and Canton Township Lions

Clubs visited the Leader Dog School, located at Rochester, Michigan.

Visiting the Leader Dog School was truly an inspiration to everyone who toured the school, talked to the personnel, and saw the blind students who will shortly go home with their "leader" dogs.

I encourage anyone who is interested in the activities of the Lions Club to contact James Egan, President of the Belleville Lions Club (Phone 697-0698). The Belleville Lions will have their Charter Nite October 12 at the Belleville High School Cafeteria.

If It Fitz ... The Tight-Pants Fad

By JIM FITZGERALD

What got me thinking about tight pants was this phone call from my son in the fifth grade.

"You or Mother better come to school and get me," he said, "I split my pants playing football."

"Ok," I agreed, "where will I find you?"

"Out in front with my back to the wall," he said.

It is no wonder this kid breaks through his pants all the time. They are so tight they get bumpy when he gets goose pimples. That's the way pants are made today.

Whatever happened to the neat pleat and the drape shape? When's the last time you saw a baggy seat of serge? I know a man who ate a hot dog with his right hand in his pocket. When he finished eating, he couldn't get his hand out. He had to diet to get people to stop calling him Lefty.

Tight pants present different problems for different ages.

For youngsters, it's getting into them. The pants are made for legs without knees. It was bad enough when a boy couldn't pull them on over his shoes, and then his socks. But now a kid doesn't dare wear polka-dot underwear without first sandpapering the polka-dots.

We old crocks don't have it that tight in the legs. But let's get to the seat of the problem. Most men carry their wallets in their left hip pocket. And most men must carry 142 credit cards to feel secure (if you leave them home, your wife might find them). Unless a man is built with nothing to sit on, the wallet produces a bulge bordering on deformity. If another cheek were involved, an apt description would be that he has bitten off more tobacco than he can chew. The average tight-panted, fat-walleted man needn't worry about getting hit by a car while walking down a dark road. He can hang a lantern from his rear pocket.

Whenever anyone points out the obvious insanities common to women's fashions, some gal always says, "Yeah, but who do you think designs most female clothes - men!" She means Mr. Mildred or Beau Bruce, darling, but whatever doubt might be cast upon gender still doesn't subtract from the satisfaction it gives a matron to blame her Shirley Temple dress and fullback shoes on some stupid man.

So if anyone has evidence that some females, even baritones, are responsible for taking the sag out of my slacks, I'd like to hear about it. The news won't increase my comfort but it will help me to understand. If women designers are choking men with fabric to get revenge for what men designers do to women, I don't blame them. For instance, the man who invented stretch slacks that stretch beyond size 10 should be stretched to death and I'd help pull.

But if it's not women, and I'm afraid it's not, how could men do this to men? It's not just the tight pants. Lately there's been a big hurrah about turtleneck shirts because they allow a guy to forget his necktie. Big deal. I'm all for junking ties but what's so great about a collar that scratches my chins and makes me look like a YMCA attendant?

And then there are these Nehru jackets which also clutch at a guy's chins while buttoning to his knees. Around his neck he hangs a cross made of scrap iron sent back from Japan. And on his feet are stretch socks reaching to his thighs. The whole idea is to bind a man completely, for fear a small part of him might jiggle. Which, in cases such as mine, is similar to wrapping a mound of jello for mailing.

I call it tourniquet styling. Hart, Schaffner and Marx are afraid men may bleed to death in this cruel world so they've fixed it so we no longer get dressed in the morning. We get bandaged.

Students Offered Chance

College seniors in the southeastern Michigan and Windsor area can add to their knowledge of American decorative arts at the expense of Henry Ford Museum and Greenfield Village.

Again this year, the Museum and Village offer to underwrite the student's registration expenses for the Midwest Antiques Forum to be held at Greenfield Village Oct. 14-18.

The offer goes to senior and graduate students majoring in American history and art subjects. The 1968 Forum theme is "Collecting Americana Today: What Next?"

More than a dozen outstanding historians will take part in the Forum, giving their views on what nearly-contemporary objects can be now or will be considered of value to collectors.

THE STUDENTS and other registrants will hear about topics ranging from "19th Century Furniture" through "Nautical Things."

Among the Forum speakers will be Edith Gaines, senior associate editor of Antiques magazine, who will deliver the keynote talk; Paul V. Gardner, Curator, Division of Ceramics and Glass, of the Smithsonian Institution in Washington, D.C.; and Peter Brown, Director of the Abby Aldrich Rockefeller Folk Art Collection, Colonial Williamsburg, Williamsburg, Virginia.

Students wishing to attend the Forum as guests of the Museum should apply for approval of their request to James Fowler, Director of Education, Henry Ford Museum and Greenfield Village, Dearborn, Mich. 48124.

The deadline for advance student reservations is Wednesday, Oct. 9.

Yesterday's Headlines

20 YEARS AGO

OCTOBER 1, 1948 - One of Romulus' oldest business concerns, Petrasky Chevrolet Sales, moved its entire operation to a new location at 12521 Huron River drive, John F. Petrasky, one of the pioneers in the automobile sales field, had begun his business in 1908 and prior to that had sold buggies, wagons, and various farm implements.

Voters were reminded of the deadline for registering for the presidential election on Nov. 2.

Instruction in machine shop work was innovated at Belleville-High School to provide trade training for boys interested in that field. Warren D. Conrad was the new teacher.

Miss Clara Valentine, chief operator at the Romulus exchange, announced her retirement after 40 years in telephone work. She had been at the Romulus post since 1935.

Les Ellward and his brother, Ed Ellward, sold their business, Belleville Recreation Bowling Alley, to Detroit, William R. Benson.

Former Van Buren Township Clerk, Fred F. Fehlig, died Sept. 15 following a lengthy illness, at the age of 71. He had served as clerk for 28 years.

Wedding bells chimed for Geraldine L. Deal and Foster Brundage; Shirley Temple and Cpl. George Willoughby; and Marian Herbst and Elmer Miller.

15 YEARS AGO

SEPTEMBER 30, 1953 - 'Council Studies Million Gallon Filtration Plant' read as headlines across page one. The approximate cost of \$150,000, was announced to the residents of Belleville.

Rites were held for two teens fatally injured in an auto-tree crash. Lawrence Youtsey, 19, and Evelyn Brown, 17, were killed returning from a party.

Randall Sales and Service had a new owner - Vinton D. McAttee - who bought the business from Harry Randall, who sold out due to ill health.

Elaine Price was installed Worthy Advisor for Belleville Association of Order of Rainbow for Girls.

Society noted the double wedding of sisters, Marjory and Eleanor Naumann, whose respective bridegrooms were David R. Antieau and Warden Lambert. Others walking down the traditional white-carpeted aisle were Mary E. Weber and Orin Stoddard; Betty Wolfe and Kenneth Nichols; Esther Gilstorf and John Hadyaniak; Lorraine Schwartz and Harold Wilkin; and Alice Carey and Lester Buckner.

Barbara Kozma and Richard Diedrich were among the newly-engaged.

5 YEARS AGO

OCTOBER 2, 1963 - The Honorable Jay J. Herkimer, mayor of Belleville, proclaimed National Business Women's Week in his city.

Mrs. Rose Vincent, Belleville High School librarian, was given the distinction of being listed in "Who's Who of American Women."

Enterprise-Roman circulation hit an all-time high of 5,430.

Supervisor Louis Toth named five new members to the Van Buren Township Planning Commission - Art Lignal, Jerry Maton, Harwin Clayton, Irv Wallace, and Erma Payne.

Robert Crumley, Jr. and James L. Ford, were announced as semi-finalists in the 1963-64 Merit Scholarship Competition, a nationwide contest.

The Belleville Tigers, in their loop opener, ended in a 7-7 tie with Bentley and the Romulus Eagles downed the Shafer eleven 17-13 while the Huron Chiefs lost 19-6 to Lamphere.

Nuptial vows united Nancy Story and Fred Birk; Rose Senk and Rodney Bird; Patricia Harris and James Holcombe; and Nancy Slomers and Henry Drouillard.

PTA Off to A Flying Start

ROMULUS - The Hayti Elementary PTA held their annual "Get Acquainted

Dinner," Monday evening, Sept. 11. It was a Pot Luck Dinner consisting of Roast Turkey, Dressing, Ham, Mashed Potatoes, Casseroles, Salads and Desserts.

Well over 200 parents and children attended.

After a delightful dinner the Hayti PTA was presented with both the Club Scout and Boy Scout Charters. The PTA then presented the Cub Scouts - Troop 830 with a new flag.

Donald McCrary - teacher Vice-President introduced Val Connolly, Hayti's new Principal and he was welcomed by those present. Connolly, in turn introduced the members of the teaching staff. Mrs. Adams is the only new teacher this year.

Mrs. Donna Lee Zavitz - membership chairman was happy to announce that Hayti has 112 members already this year.

Ruth Buck - dental chairman reported that since Jan. 9, 1968, our Dental Program has taken care of 240 children with 127 X-Rays, 29 Extractions, 430 Fillings and 242 treatments, Spacers and Emergencies.

The next meeting of the Hayti PTA will be held Monday, Oct. 21, 7 P.M. in the Multi-Purpose of Hayti Elementary School. Refreshments will be served. Parents are urged to attend.

Area's Economic Seminar Listed

The seminar is being sponsored by the Greater Detroit Board of Commerce, Oakland County Economic Development Commission and the Wayne County Economic Development Commission.

Putting-you-firsts:

(A quick tour of some of the thoughtful new features the 1969 Chevrolets offer that other cars in Chevrolet's field don't.)

Headlight washers

You push the windshield washer knob and hold it, and your headlights come clean.

Fluid is diverted to two jet nozzles at each light lens. (Outer lights only on duals.)

The spray removes up to 80% of accumulated dirt.

The feature is standard on 1969 Corvettes. It comes with the hidden headlights available on Camaro, Caprice and Kingswood Estate Wagons. It is available on all other models except Corvair.

Heated glass

In a moment your rear window will self-defrost.

Because we've built onto it a network of tiny ceramic strips capable of heating the entire surface.

Fog and frost disappear quickly and quietly. You just flick a switch.

The heated rear window is available on the 1969 Caprice Coupe and Impala Custom Coupe.

Pushbutton tire chains

You press a button on the instrument panel and the rear tires get a shot of "liquid tire chain."

You spin your wheels once, wait a moment, and you're off - with traction you wouldn't believe possible on slick ice, or packed snow.

Available on all 1969 big Chevrolets.

Steering wheel lock

When you own a car as desirable as the 1969 Chevrolet, you don't take chances.

When you leave it, you lock it. Not just the doors.

You lock the ignition, steering wheel and transmission lever, too.

Our new lock on the steering column takes care of all that. Standard on all 1969 Chevrolets, Chevelles, Chevy Novas, Camaros and Corvettes.

Sorry, car thieves.

Power steering plus

The 1969 Caprice, Impala and Camaro are available with a new type of power steering.

Variable-ratio power steering. What it does is give you faster steering with fewer turns of the wheel.

Variable-ratio power steering is particularly helpful in short, full turns.

And parking becomes unbelievably easy. You'll see.

Walk-in wagons

The tailgate swings open like a door on most of our 1969 station wagons.

Which in itself is no big deal. But wait, there's more.

We've built a concealed step into the rear bumper.

You simply step up, over, and in.

(The way we build our wagons, you can do it without bumping your head, and without acrobatics.)

Walk into a wagon soon at your Chevrolet dealer's.

Putting you first, keeps us first.

BY MRS. JOSEPH SPRING
OX 9-4021

Mrs. Wilma Pepper, Bunton road, and Mrs. Marion Hartwick, Martinsville road, returned home on Tuesday of last week from Ridgefield, Conn.; where they had spent a week with a former Belleville resident, Mrs. Muriel Smith. Mrs. Smith, who had just recently returned from a trip abroad, had also been spending a few days with relatives in this community.

Another Belleville resident who has recently returned

Engaged

A Valentine wedding is being planned by Alice Killingbeck and Michael Mc Masters, both of Wayne. Announcement of their engagement is made by Mr. and Mrs. Vernard Killingbeck, of Greenbush road, Wayne, parents of the bride-elect.

The future bride graduated from John Glenn High School in 1967 and is presently attending Mr. Arnold's Beauty College, in Dearborn.

Her fiancé, son of Mr. and Mrs. David Mc Masters, of Mildred Street, Wayne, is a 1967 graduate of Wayne Memorial High School and is currently employed at Micro-Measurement, in Romulus.

Get Degree

Five area students were among those who earned degrees during the summer term at Michigan State University. They are:

Robert G. Baker, 139 Clarence Street, Bachelor of Science, Electrical Engineering; John A. Hay, 159 W. Columbia, Bachelor of Science, Landscape Architecture; Dorothy L. Sullivan, 36970 Sibley Road, New Boston, Bachelor of Science, Interior Design; Elaine M. Johnson, 36465 North Line Road, Romulus, Bachelor of Science, Biology Science Interdept; and Kathleen F. McGlade, 17460 Willow Grove Road, Romulus, Bachelor of Arts, English.

from a trip abroad is Mrs. Nellie VanWormer of Juniper drive. She returned on Tuesday of last week after having spent three weeks visiting friends in Motherwell, Scotland. While there she attended a meeting of the Order of Eastern Star and did a bit of sight-seeing in England as well as Scotland.

Mrs. George Heft and Mrs. Charles Curtis spent Saturday at the Methodist Home in Chelsea where they visited the latter's aunt and several residents formerly from Belleville.

Mr. and Mrs. Glenn Feight returned home last Wednesday after enjoying several days camping at Starved Rock State Park in Illinois where they met the former's brother and wife, the Harold Feights, from Indianapolis, Iowa. Enroute home they spent a few days at Yankee Springs near Hastings before driving on to Mt. Pleasant where they visited sons, Keith and David, and their families for several days.

In celebration of their 43rd wedding anniversary, Mr. and Mrs. Henry C. Sager were dinner guests Sunday of Miss Ellen Gould at her home on Tittle Hill road, Ypsilanti Township.

Mrs. Orrin R. Post and Mrs. Joseph Spring were Thursday guests of the latter's cousin, Miss Grace Geiger, of Salem Township.

Mr. and Mrs. Clyde C. Woods returned to their home on Belleville road last Friday evening after spending three weeks in Manchester, Tenn., visiting relatives. They also were guests of Mrs. Woods' brother and wife, Mr. and Mrs. C.M. Harrison, of Nashville, Tenn.

Mrs. Donald Neilson from Chester, Pa., has been a guest the past two weeks of her sister, Mrs. Nellie VanWormer, of Juniper drive.

Mr. and Mrs. Leon Boldt attended the Knights Templar inspection and dinner Saturday evening at the Ann Arbor Masonic Temple.

BELLEVILLE — The Belleville Junior Study Club will hold its Annual Benefit Card Party tonight, Wednesday, Oct. 2, at 7:30 p.m. at the Belleville Junior High School. Tickets are \$1. each and guests are invited to play cards, buncos, or any table game they prefer. Last minute reservations may be made with Mrs. Thomas Norman, 697-8895 or Mrs. Ted Hooten, Jr., 697-8306.

Van Buren Garden
Club Visits Estate

The members of the Van Buren Garden Club enjoyed a tour through the invitation of Charles Cozadd. Many of the members who remembered the acreage as a thick woods with a creek running through were surprised at the change. Mr. Cozadd, through the years, has landscaped the area by

widening the creek into a lake, and by planting a variety of trees native to this area. There are also many trees such as the pecan and English walnut, which are native to the south, planted throughout the grounds. All trees on the property have been planted so as to show off their beauty.

Landscaping of the property did not cause a loss of many of the original trees such as pin oaks, tulip trees, and native oaks, which have been added to by the addition of new trees.

The Garden Club Members returned to the home of Mrs. E. Horste to have their regular meeting. Mrs. V. Lockrow and two other members will attend the fall meeting of the Federation October 10, at the Raleigh House.

Miss E. Gould gave a report on the Warren Show. Mrs. N. VanWormer told of the flowers and trees she saw while she was in Scotland this summer.

The October meeting will be a tour of Metropolitan Park to view the fall colors in our own backyard. There will be a lecture given by the park's Naturalist.

DOVE-RHODES

Double Rings Exchanged
At St. Anthony's Church

Peggy Rhodes and David Dove, Jr. exchanged double ring vows Saturday, September 14, at St. Anthony's Catholic Church. Father Richard C. Welsh presided at the double ring ceremony at five thirty in the afternoon with some 150 guests attending.

Mr. and Mrs. Harvey E. Rhodes, of 6773 Sheldon road, Belleville, and Mr. and Mrs. David Dove, Sr., of 49575 W. Huron River drive, Belleville, are parents of the young couple.

ESCORTED TO the sanctuary by her father, the bride was gown in a bell-skirted creation of white satin and Chantilly lace. The fitted lace bodice featured a Sabrina neckline studded with seed pearls; long tapered

sleeves; and a deep V insert of lace in the skirt.

A lace petaled headpiece outlined with seed pearls clasped her elbow length veil of silk illusion and she carried white carnations and ivy centered with a corsage of roses.

The bride's four sisters served as attendants: Joy, 18, was honor attendant while Gerry, 15; Mary, 14; and Mrs. Sandra Ballard, 21, were bridesmaids.

The maid of honor was in pale pink chiffon over taffeta while the others were in similar frocks of light blue chiffon. Small matching roses traced their empire waistlines and green felt ribbon streamers added back interest. Their white bow headpieces were veiled to match their frocks and their bouquets were carnations and tendrils of ivy,

also styled to harmonize with their dresses.

THE BRIDEGROOM asked George Gendron, of Belleville, to be best man. Ushers were Bob Gendron; William Ballard, the bride's brother-in-law, from Romulus; and Doug McCully, of Belleville.

At the reception which followed, the 325 guests were greeted by Mrs. Rhodes in a blue suit with matching accessories. Mrs. Dove was in a pink ensemble. Both mothers added blue carnation corsages to their lapels.

Following a week-long honeymoon, the newlyweds made their home at 3339 Canton Center, Belleville.

The new Mrs. Dove is a 1968 graduate of Belleville High School and her husband is a 1964 alumnus now working for the Ford Motor Company.

WOMEN

Of The MOOSE

By MARJORIE KELLEY

The Women of the Moose, Belleville Chapter No. 1135, held their monthly Business Meeting September 23. A lunch was served by the publicity committee after the meeting.

Senior Regent, Martha Morton; Recorder, Helen Matewicz; and co-workers Marjorie Moriarity and Helen Jacobs, attended Star Recorder Day at the Ypsilanti Chapter Wednesday, Sept. 25.

In keeping with this year's theme of "Beat the Drum for Membership", every co-worker who attended our business meeting September 23 received a little miniature drum to wear.

Hats off to Louise Steger who is our first Star Recorder. Our Chapter was instituted nineteen years ago and she is the first Star Recorder to receive the degree.

Don't forget our fish fries. Bring your family and friends. The food is good, the price is right and the friendliness gives you a boost for the weekend.

The October meetings will be chaired by the Mooseheart Committee. Don't forget that October is "Christmas in October" month.

Club Reports On Trips

BELLEVILLE — The 4-H Mustang Club took their first bus trip this fall to Tiger Stadium to see Denny McLain win his 30th game. Forty members and parents enjoyed themselves.

For their second trip on Sept. 22, they went 320 miles

Emmanuel Lutheran Church, Ypsilanti, was reserved September 21 for the double ring ceremony which united Yvonne Madeline Ulbin, of Belleville, and Dr. Kenneth John Kieft, of Muskegon Heights, in holy matrimony. Pastor Pretzlaff presided at the six o'clock nuptials.

Organist for the evening rite was Miss Betty Fenker and Soloist was Miss Carole Heliste. Parents of the young couple are Mr. and Mrs. Elmer E. Weinkauff, of 45000 Expressway, Belleville, and Mr. and Mrs. John H. Kieft, of Muskegon Heights.

FOR HER wedding day, Yvonne appeared in a Chantilly lace creation, the fitted bodice designed with a Sabrina neckline iced with iridescents and seed pearls.

All are looking forward to the next trip which will be to the Detroit museum Sat., Oct. 5.

Traditional wristpoint sleeves and a chapel train were also used for the toe-touching, bouffant fashion.

Her three-tiered illusion veil drifted to cathedral length from an openwork crown of pearls and orange blossoms and crystals. Completing her bridal finery was a bouquet of white carnations, lilies of the valley, and streamers surrounding a white rose corsage.

The bride chose two honor attendants for the occasion. Mrs. Ronald Newald was matron of honor and Mary Ann Borso served as maid of honor. Bridesmaids were Mrs. George Gola, Mrs. Robert Laich, Mrs. Adam Ulbin, and Nifodora Elias.

Capucine georgette was used to style their identical punch-colored frocks which featured high-rise waistlines, sheath skirts, and Victorian ruffled sleeves. They walked up the aisle carrying bouquets of streamered bronze mums.

Lynn Ann Laich was flowergirl and Mitchell Gola carried out his role as ringbearer.

THE BRIDEGROOM asked Adam Ulbin to be best man. Others on the esquire side were Dr. Effery Millet, Dr. Thomas Rifenberg, Steve Hegedus, Dr. Charles Erickson, and Timothy Zurlinden.

HER CLASSES BENEFIT

THE RECENT trip to Europe taken by Mrs. Ann Bondy, sixth grade teacher at Riverside School in New Boston, is adding to the knowledge of her students who are most enthusiastic about the souvenirs, pictures, and stories she has to show and tell.

As part of a tour conducted by Dr. Rinehart Wittke, head of the History Department at Eastern Michigan University, Mrs. Bondy flew to London and then traveled via boat and train to Denmark, Switzerland, Austria, Germany, (visiting both East and West Berlin), Hungary, and Czechoslovakia.

Leaving the caravan for one week, she traveled to Rome where at a concert she met up with Mrs. Doris Roe and her touring companions.

Her eight weeks abroad also included two weeks of studying history in Munich; and a visit to her birthplace, Prague, Czechoslovakia, (leaving that spot just one week prior to the Russian invasion.)

RONNIE'S EIGHT

BALLOONS, STREAMERS, and individual 'take-home' gifts for each guest greeted the group of 12 youngsters who gathered recently for a party marking Ronnie Gott's eight birthday. Model cars were chosen for the boys and little necklace and bracelet ensembles for the girls.

Taking part in the fun and games and then sitting down to cake, (decorated with a little race track and tiny race cars), ice cream, Hawaiian punch, and candy were Linda Schwehr, Lisa Pellecchia, Lisa Chen, Lori Gott (Ronnie's little sister), Albert Sobolewski, Mark Schimmel, Michael Chen, Dale Milatz, Greg Davis, Dickie Bassett, Brad Verrot, and Carl Parsons.

Helping the honoree's mother, Betty Gott, with the festivities were two neighbor girls, Kathy and Carol Chen.

Wayne Church Setting For Work-Schleif Vows

A morning ceremony in the Wayne Wesleyan Church September 20 united in marriage Susan Marie Schleif, daughter of Mr. and Mrs. Henry Schleif, of 5956 Burr, Taylor, and Emil K. Work, of 4735 Del-Monte avenue, San Diego, California, son of Mrs. Naomi Work, of 11120 Sterling, Romulus.

The Rev. Harrison A. Winger presided at the single ring rite before an altar adorned with vases of assorted flowers. Organist was Evelyn Mc Nett.

Given in marriage by her father, Susan appeared in a short white wedding gown of brocaded satin with a companion coat. A forehead petaled arrangement studded with beading held her short bridal veil of illusion and she held a bouquet of white carnations, roses and forget-me-nots.

MARGARET SCHLEIF was her sister's maid of honor wearing a yellow sleeveless frock of heavy cotton jeweled with rhinestones. Her veiled headpiece was also in yellow as was her bouquet of carnations.

The bridegroom's brother, Ronald Work, of Dearborn, served as best man.

A reception followed at the home of Mr. and Mrs. Pat Eaton, 38699 Westvale, Romulus, with about 25 guests attending. Mrs. Schleif donned a dark blue silk dress and a black veiled hat for her daughter's wedding and Mrs.

Work chose a blue knit ensemble. Both added corsages of yellow tea roses to their outfits.

For the plane trip to their new home at 4735 Del-Monte, San Diego, California, the new Mrs. Work changed into a green going-away dress with harmonizing accessories.

A graduate of Taylor Center High School in 1964, Susan was employed at Hudson's, Westland, prior to her wedding. Her husband, a 1958 Romulus High graduate, is employed by American Airlines, in San Diego.

Bassinet Bulletins

Mr. and Mrs. Jeffery Smith, of 600 Sumpter road, Belleville, have a new addition to their home. Their son, weighing 8 lbs., - 8 ozs., was born Sept. 21 at Beyer Hospital.

It was a boy, too, for Mr. and Mrs. Thomas Brooks, of 17760 Sumpter road, Belleville. The 7 lb., - 9 oz. newcomer arrived Sept. 21 at Beyer Hospital.

MISS GRIFFIN

Daughter's Engagement Announced

Mr. and Mrs. Leo J. Griffin, of 36 E. Columbia avenue, Belleville, are announcing the engagement of their daughter, Nora Annetonetta, to Larry Wayne Pearce.

Miss Griffin, a 1968 Belleville High School graduate, is currently attending Virginia Farrell Beauty School, in Lincoln Park.

The prospective bridegroom, son of Mr. and Mrs. E. W. Pearce, of 630 Woodlawn, Ypsilanti, graduated from Willow Run High School in 1964, attended Eastern Michigan University, and spent two years with the U. S. Army in Korea. He is currently an employee of Michigan Bell Telephone, Wayne.

The young couple plan a June wedding at St. Anthony's Catholic Church.

The evening before the party, relatives gathered to greet the young birthday man — his grandparents, the Paul Mestellers, and Paul and Marge Riley, all from Allen Park; as well as Ernie and Noreen Mesteller and son, Scott, from Dearborn Heights. Other week-end callers included Ronnie's god-parents, Harold and Marie Pelot, and their children, from Detroit.

NORTHERN WEEK-END

GETTING AWAY from it all, even if it's just for a short week-end, can do worlds of good for a person's morale and that seems to have been the case for some nine couples who traveled northward recently to fill reservations at Sandy Shore Estates on Elk Lake near Traverse City.

Mapping plans for the group were Bob and Emmalee Diedrich, of Kozma road, whose entourage included John and Clara Bokon, Elwood and Anne Davie, and Jim and Shirley Hudge, all of Willis road; the Earl Finns, of Dearborn; the Brad Kozmas, of Ann Arbor; the Bob Kozmas, of Wayne; the Michael Toths, from Plymouth; and Marian Diedrich, of Davisburg.

Saturday's highlight, along with boating and fishing, was a steak roast which included the owners of the resort, the Glenn Evans', from Rapid City, and also Mike Michaels, of Detroit.

COLLEGE NOTES

HAVING BEEN awarded a swimming scholarship, Jeff Archer is now attending Central Michigan University at Mount Pleasant. The scholarship news came as a surprise to Jeff and his parents, the Robert Archers, of Harmony lane, who were quite unaware of the pending award. Jeff, who plans to major in history, is rooming with fellow classmates from Belleville High — John Gasidlo, Wilson Boone, and Don Stabenow. **KEITH BRUDER**, son of Albert and Shirley Straub, of Elwell road, has begun his final year at Michigan State University. **PAUL SMITH**, another recent B.H.S. grad, is at Ferris State College, at Big Rapids, where he's studying education. He is the son of Mayor and Mrs. Royce Smith. **COLLEGE 'RETURNEES'** from the Felix Feitel home on Morton-Taylor road include their son, Fred, who's in his third year at General Motors Institute, Flint, where he's affiliated with Phi Delta Theta fraternity. Then there's Karen, who's back at Michigan State for her sophomore year and making her quarters at the Alpha Delta Pi house on campus.

HOME AGAIN, HOME AGAIN

THIS HAS been a busy travel year for the John Roberts', of Lake Pointe Pass, and Marge is home again after a second lengthy trip in recent weeks... (her last flight took her to Denver.)

This time her destination was San Francisco, California where she spent six days with her hubby, Capt. John Roberts, who has been attending and was just graduated from United's Jet School.

During their brief sojourn together, the Roberts' traveled down to Morro Bay, a little coastal town, via the 'back roads' — seeing much of the agricultural countryside enroute. They made stops at an old mission, at the William Randall Hearst estate, then returned by way of the breath-taking mountain-coastline highway.

Stopping in Carmel for dinner, they found a jazz festival (and LOTS of 'flower children') in progress. Monterey and Point Lobis were their nightfall destination — a nostalgic return for the couple who'd spent a previous vacation at the same spot.

Marge jetted her way back to Michigan last Thursday evening.

ELECTED OFFICERS—The Huron Valley Conservation Association has announced the election of the following members to serve the remainder of the year. They are left to right: Gordon Blaire, membership secretary; James W. Habel, secretary; Wendell K. Howell, president; Kenneth Reed, vice-president; and Noble Hamrick, treasurer.

Outdoor Group Here Elects Officer Slate

By Ed Shumbara

BELLEVILLE—The Huron Valley Conservation Association held an election of officers at the Association's last membership meeting. The following members were elected to serve the remainder of 1968:

President—Wendell K. Howell; Vice-President—Kenneth Reed; Secretary—James W. Habel; Treasurer—Noble Hamrick and Membership Secretary—Gordon Blaire.

Members on the Board of Directors are: Ernie Hamacher, Jack Begin, Larry Boulder, Troy Lambert, Jack Ralls, Nick Savage, Carl Schoup, Martin Elliott, and Nick Lewis.

It was with great sadness that many fishermen learned last week that Bear Creek in Manistee County, was closed to COHO fishing, due to

thoughtless fishing tactics of some fishermen.

The men who were responsible for this situation, cannot call themselves sportsmen.

If any of those men are members of any Michigan United Conservation Clubs, their membership privileges should be revoked. The Huron Valley Conservation Association, definitely does not have members of this kind.

The Association's Deer—Bow and Arrow season is now open through to Nov. 14. In the U.P., Bow and Arrow hunters may also take Bears on their Archery License.

Vote "YES" Nov. 5 on the bond issue to correct POLLUTION of our "Water Wonderland," was urged by the Association's officers and directors.

Edison Ski Club Annual Dance Set

DETROIT—The Detroit Edison Ski Club will present their annual AUTUMN KICKOFF DANCE on Friday, Oct. 11, at the scenic Veteran's Memorial Building, on the riverfront.

Music will be provided from 9 p.m. to 1 a.m. by the Artisans. The admission price is \$3.50 and free refreshments will be served.

Wayne County Services Are Shown in Free Films

Wayne County government's entire range of public services is presented in a dramatic and unusual color film show which is now available without charge for viewing by citizens groups.

Three slide projectors and three screens are used simultaneously, capturing much the same impact of a Cinerama movie with color slides.

The audience gains three times as many visual impressions as in a conventional slide show. A narration accompanies the pictures.

Entitled "Meeting Human Needs—Your Wayne County Services," the show was produced by the County Board of Supervisors to inform the citizens about their county services.

HIGHLIGHTS of the 40-minute show include: Emergency cases, open heart

surgery, and psychiatric treatment at Wayne County General Hospital; the courts, including Juvenile Court; care of neglected and retarded children; public health; the activities of all the elected county officials; and the work of the Road Commission, including Metropolitan Airport, the freeways and county parks.

Another three-screen slide show, entitled "Modern Medicine—the Story of Wayne County General Hospital," has been playing to enthusiastic audiences such as church groups, civic clubs and professional organizations for several months.

Groups interested in seeing either show may contact Lawrence Gareau, public information officer, Wayne County Board of Supervisors, 1320 City-County Building, Detroit, 48226. Phone 224-5025.

"THE THOMAS CROWN AFFAIR"—That "Bonnie" Gal Faye Dunaway and Steve McQueen are playing Cops and Robbers in the exciting suspenseful hit "The Thomas Crown Affair" now on view at the Willow Drive In Theatre along with Peter Sellers in "The Party." Drive In opens nightly at 7:00 p.m., show starting at dusk.

Kiwanis Club Again Sponsors PP & K

BELLEVILLE—The annual Punt, Pass & Kick Competition sponsored locally by the Belleville Kiwanis Club and Atchinson Ford Sales, Inc., 9800 Belleville Road will be held at 10 a.m. Oct. 12, at Belleville High School Field.

Rae Thom, program chairman, announced Monday. Events will be held the following day if it should rain.

Boys eight through 13 in the Belleville area can register for the events up to deadline today, Wednesday, Oct. 4.

Football-minded youths with skills in punting, passing and kicking will be awarded prizes and trips to the national program sponsored by the

Ford Motor Company dealers and the National Football League.

Participants in the PP&K program will vie for 18 all-metal local trophies and boys entered compete with their own age groups.

They can advance to higher competitions, win more trophies and a trip with dad to NFL games.

Final competition will be held in Miami, Florida with the national competition at the Orange Bowl during the NFL Play-Off Game.

National finalists along with their parents also receive trip to Washington as well.

Area Store Opens New Promotion

BELLEVILLE—A unique sales promotion contest with prizes for participants was announced Monday by Theodore E. Hooten, owner of Hoot's Boots, 146 High Street, by the Water Tower.

Kick-off on the promotion program will start this Friday, Oct. 4, and run until further notice, Hooten said.

The purpose behind the unusual store promotion, that offers \$5 gift certificates and six months subscriptions to the Enterprise-Roman, is to draw attention to Hoot's Boots' Window displays and to introduce the latest in shoe designs for the entire family.

Names of area residents (two-a-week) will be posted in the center of the front window of the store.

The home of Mr. and Mrs. John Ferguson, of Prescott road, was the scene of a surprise going away party Saturday, September 21, for the Arnold Mullins family, of Taylor.

Hostesses for the evening event were Mrs. Mary Hall, Mrs. John Ferguson and Miss Neva Newsome, of Ypsilanti. Miss Newsome is an English teacher at Huron High School and the sister of Mrs. Mullins.

Attending the pot-luck supper were many relatives: the Robert Halls, of Taylor; the Ernest Millers, the Milton Mullins and the Robert Halls, of Riverview; the Hassel Newsomes, of Ecorse; the Estelle Johnsons and the Darryl Cardwells, of Romulus.

Friends included the Jack Peeters, the Roy Broschs, the Gene Andersons, Mrs. Brosch, and Mrs. Annabell Hillman all of Taylor. Also the Denver Smiths, of River Rouge; the David Fergusons, of Trenton; and the David Havenstein family, of Flat Rock.

The Mullins family, who will soon be moving to Ohio, received a lovely set of glassware and China as a going away gift.

William Miller, Principal of Huron High School, and David Schultz, Junior High Principal, have announced that students who turned used books over to the Used Book Store to be sold may pick up their money October 3, from 9 a.m. to 4 p.m. at the offices of the Junior or Senior High Schools.

Russell Wilson of Huron River drive is a patient at Ridgewood Hospital, 10000 Geddes road, Ypsilanti, 215-B.

The Huron Township Health Committee is pleased to welcome Mrs. Donald (Glenice) Bosman, of Prescott road, as a new member. Mrs. Bosman, a diligent community worker, replaces Mrs. Shirley Clark whose resignation was received at the Committee's September meeting.

Mrs. Edward Wilk of St. Pauls Lutheran Church, New Boston, has announced a Mission Fair titled "The Field Is The World," which will be held October 4, 5 and 6 at Trinity Lutheran Church, Monroe. The times will be 6 to 9 p.m. on Friday; 2 p.m. to 9 p.m. on Saturday; and 2 to 5 p.m. on Sunday.

The Fair is sponsored by the Lutheran Women's Missionary League of the Monroe zone with nine societies cooperating.

Missions covered will include, India and Ceylon, Chairman, Mrs. Rudy Morris, from St. Pauls Lutheran Church, New Boston; Nigeria and Ghana, Chairman, Mrs. Eugene Pichan of St. John's Lutheran Church of Waltz; Finland, France and Britain, Chairman, Mrs. Ella Woelmer of St. Peters Lutheran Church of Petersburg; Philippines and New Guinea, Chairman, Mrs. Clyde Rehberg of St. Pauls Lutheran Church, Milan; Brazil, Chile and Argentina, Chairman, Mrs. Richard Vogt of Trinity Lutheran Church, Monroe; Japan, Korea, Formosa and Hong Kong, Chairman, Mrs. Erwin Burwitz of Grace Lutheran Church, Monroe; Guatemala, Mexico and Venezuela, Chairman is

Mrs. Fred Gruber of Holy Ghost Lutheran Church, Monroe; Alaska Hawaii and Special Needs, Chairman is Mrs. Ralph Schaefer of Emmanuel Lutheran Church of Britton. Special Ministries and Displays Chairman is Mrs. Betty Statz of Immanuel Lutheran Church of East Ida. On Saturday, October 5, Melvin Kieschnick will speak on his trip to Hong Kong at 3 p.m. and again at 7 p.m.

Former Huron Residents, Mr. and Mrs. Harry Stewart, arrived here last week, after traveling from Wyoming, to visit their daughter and her family, the Charles Elliotts of River Lane. They plan to remain in this area for the next few weeks. Since last March the Stewarts have been traveling in the West. They also spent time visiting another daughter and her family in Texas.

You will want to take advantage of the opportunity to shop at the Mothers Guild Rummage sale on October 4 and 5 from 9:00 a.m. to 6:00 p.m. It will be held in the activity building behind St. Stephens Catholic Church, 18858 Huron River drive.

ROMULUS PERSONALS

Housewarming Surprises Tom Laines

By PEARL MORRIS
WH. 1-1187

About 50 relatives and friends gathered for a surprise "housewarming" for Mr. and Mrs. Tom Laine and family at their new residence at 15364 Haggerty road, Belleville, Friday evening, September 27. The Laines were presented with many lovely gifts for their new home. Mrs. Laine is the former Janice Miank, of Romulus.

Sunday dinner guests of Mr. and Mrs. Christian Fischer, of Wayne road, were Mr. and Mrs. Casper Petters, who have decided to make California their permanent home after having resided in Wyandotte for many years. Mr. and Mrs. Joseph Feiler, parents of Mrs. Fischer, were also present. Mrs. Fischer, along with her parents, is making plans for a motor holiday to Arizona and California right after the New Year.

A party in celebration of the 22nd birthday of Norma Dingman, of Melvindale, was held Saturday evening at the home of friends, Mr. and Mrs. August Nadau, on Huron River drive South. Twenty-two adults and five children were in attendance and enjoyed dancing, games and refreshments.

Nelson R. Coash left Friday morning after spending since September 16 visiting relatives and friends here. Nelson, son of Mrs. Nelson T. Coash of Craig street and the late Mr. Coash, resides in Encinitas,

California, with his wife and son.

Plans are going ahead for the annual fall Rummage Sale which will be held at the Romulus Community Methodist Church from October 18 through October 19. Articles can be left at the church any weekday from 9 a.m. to 2 p.m.

Mrs. Archie Lierley (former Joyce Miank of Romulus) of Paxton, Nebraska, has been visiting relatives and friends in Romulus and Belleville. She came to Michigan to care for her father, Fred Miank, 41158 Savage road, Belleville, who is recuperating at home after surgery at Ford Hospital. Mrs. Lierley is a graduate of Henry Ford Nursing School and is currently associated with a psychiatric clinic in a tri-county mental health association in Nebraska. She works three days in Ogallala, Nebraska, and two days in No. Platte. She returned to her home last Saturday.

The thrill of hearing from their service son in Vietnam was enjoyed Sunday morning

by Mr. and Mrs. Robert Brothers, of Taft street, who received an overseas phone call from Sgt. Robert J. Brothers. Brothers is serving with the Ninth Infantry there and has been in Vietnam since last December. Also having an opportunity to talk with the serviceman were his brother, Greg, and Alan and Barbara Summers.

Mrs. Mae Dunn, of Dearborn, sister-in-law of Mrs. Fred Geisler, of Farnum street, passed away in her sleep Sunday morning. She is survived by her husband, Charles, and three children. Mr. and Mrs. Fred Geisler will be among relatives attending her funeral services this afternoon (Wednesday) from the Howe-Peterson Funeral Home in Dearborn.

4-H leaders and members of the Southwest Area will hold their September meeting tonight (Wednesday) at 8 p.m. at the 4-H Fairgrounds near Belleville. Election of officers will take place. A slate has been prepared by the nominating committee.

Relations Programs Announced

NEW BOSTON — Human relations has become one of the paramount concerns among citizens during recent months. And with this in mind officials of the Huron Township Association for Community Affairs has announced that a "very interesting, informative" program on this important topic has been arranged for area residents.

The program consists of five weekly representatives by prominent and qualified speakers beginning with Oct. 23 and continuing for a five-week period to Nov. 20.

THE PRESENTATIONS will be held at the Huron Junior High School and will run from 8 to 10 p.m.

The evening's program will embrace a 45-minute talk, a 30-minute general discussion and an ample opportunity for questions and answers.

The Association hoped that the program will be beneficial to the whole community and have extended an open invitation to adjacent communities to participate.

New McMullan Rezoning Approved by Township

BELLEVILLE -- The rezoning of 147 acres of land known as McMullan Point for multiple apartment units was unanimously approved by the Township Board at the Board's Sept. 24 meeting.

Overall construction plans for the 1,624 apartment units now proposed will be prepared for submission to the Van Buren Planning Commission for its approval.

The Township Board's present consent was the second time that the rezoning of land site was approved by the

township officials. Area residents fought the original rezoning petition and in a referendum vote, township voters defeated the proposal. This was on May 6, 1968.

SINCE THIS election, land owner Frank Volk, Sr., of Dearborn presented a new and revised petition to meet some of the serious objections raised by a then proposed 2,000 apartment unit project.

A public hearing held at the Belleville High School on Sept. 19 under the sponsorship of the Van Buren Civic

Association drew some 65 persons and an approving vote for the new proposal.

Units were reduced to 1,624 apartments from 2,000 and a portion of land planned in the original petition for multiple units was set aside for single dwellings.

The project still will have a swimming pool, tennis courts and a nine-hole golf course.

In earlier hearings both the Van Buren Planners and the Wayne County Planning Commission had approved the new rezoning petition.

LIONS MEET THEIR SPEAKER — Featured speaker at the Sept. 25 meeting of the Belleville Lions Club was Lt. Richard Winder of the Wayne County Sheriff's Office fourth from left. Seating left to right are: Charles R. Cook, Gerald McKelvey, Thomas J. Warner, Winder, James Egam, club president; Burt L. Griffith and Ray Ferrier.

New Park Phones are Announced

BELLEVILLE — Lower Huron Metropolitan Park, a 1,000 acre site in western Wayne County near Belleville, has new phone numbers.

The park phones are 697-9181 and 697-9182. Attractions this time of the year at the park include fall color, scenic drives, picnic and

playground areas along the Huron River, a group camp site for registered youth groups with adult sponsorship, and an 18-hole "Par 3" golf course.

Proposed Rules for New District Court Prepared

BELLEVILLE — Francis Duane Ross announced today that he has recently received a draft of proposed rules which may govern the new thirty four District Court.

The draft was prepared by the Administrator of the Supreme Court of the State of Michigan and was ordered forwarded by the Supreme Court.

Courts might choose a rules, and forms committee early in November to act with the Supreme Court in adoption of governing rules.

"The proposed rules," said Ross, "are based upon the General Court Rules.

There is special consideration given to civil matters involving amounts between \$300 and \$1,500 and civil matters between \$1,500 and \$3,000 which is the upper jurisdictional limitation of the new courts.

CRIMINAL MATTERS will doubtlessly be governed by special rules for that purpose where constitutional or common law limitations make application of the rules for civil procedure undesirable.

"I am particularly pleased with one of the proposed rules which deals with installment payment of judgments. This will be a matter of very real aid to industrial workers and others who are family men and are dependent upon a single paycheck.

"Under this rule, a man who is a judgment debtor and who must pay his judgment out of the proceeds of his labor, may apply to the Court for the privilege of paying such judgment in installments.

"With the permission of the Court, the harsh remedy of attachment or garnishment may be withheld so long as the debtor makes the agreed

installment payments upon his debt. The debtor may thus be saved from bankruptcy or the loss of his job because of his inability to pay at the time the judgment is rendered," Ross said.

"THE NEW RULES appear to be extremely favorable to the people in that it is evident that they are tailored to getting causes decided justly with a minimum of expense to the parties. Practicalities of protection to insure equitable decisions in all cases have been provided. In no rule that I have found, has justice been sacrificed in any manner to mere expedition of the cause," he added.

Ross, the leading nominee in the August Primary for Judge of the thirty fourth District which includes the townships of Huron, Romulus, Sumpter and Van Buren and the City of Belleville, noted that the proposed rules would first be adopted on a provisional basis by the judges elected in the general election on Nov. 6, 1968.

Justice Black indicated that some six or eight months after the proposed rules go into effect with the commencement of the District Court's business on Jan. 1, 1969, permanent procedural rules might be adopted. These would not be either so complex or so expensive as the adoption of the General Court Rules.

Stech Issues Inquiry

BELLEVILLE — Do you know where your children are?

The above inquiry was made by Police Chief Irwin W. Stech to area parents as a warning following the pickup last week of two 10-year-old youngsters stealing in a Main Street store.

The two young boys were from the Ypsilanti area and had not been home for two days.

Hitch hiking brought them to Belleville. They were turned over to Washtenaw County Juvenile authorities after a police reprimand here.

Chief Stech said that the two boys were fortunate in not being harmed or getting into real serious trouble. He said that this was another case where parents didn't know where their youngsters were.

"It is the duty of parents to know at all times the whereabouts of their offspring. A lot of trouble could be avoided if parents adhered to this responsibility," Stech said.

SPEAKS ON INTEGRATION — Vanzetti Hamilton, Ypsilanti attorney, second from left spoke on integration beginning with revolutionary times before Belleville Rotary Club last Tuesday, Sept. 24. With him from left to right are Dr. Dayton Prouty, Dr. John MacDermid, vice-president; and Harold Harris, president of Belleville Rotarians.

'Freedom Challenge' Contest Underway

BELLEVILLE — The 22nd Annual National Voice of Democracy Contest has been announced.

This year's theme is "Freedom's Challenge."

The Voice of Democracy Program is sponsored by the Veterans of Foreign Wars and its Ladies Auxiliary with the cooperation of the National and State Association of Broadcasters.

Past State and National winners are not eligible.

In the local area, the contest is under the sponsorship of Huron River Post No. 4434 VFW.

Post officials through their chairman Thomas A. Nowak, have announced that Belleville-area students can contact Belleville High School for the entry forms and for program regulations.

On the local scene, winners will compete for three prizes. First prize is \$50 bond, Second Prize is a \$25 bond and Third prize a Parker Jotter-Pointer Pen and Pencil set. All

participants will receive a citation.

John Ford, Principal; and Mrs. Mary Anne Drysdale, English Teacher at Belleville High are assisting the VFW Post in preparing area students to share in the program.

City Studies Plaque for Servicemen

BELLEVILLE — City Council is considering the placing of a bronze plaque commemorating Belleville area servicemen in Vietnam in the Municipal Building or some other suitable place, it was disclosed.

The plaque would list the names of all local residents serving in the various branches of military service, and those killed in action would be given special designation.

Communities adjacent to Belleville have or are initiating fund drives to erect appropriate commemorative plaques for men in service.

Spencer Tracy was born in Milwaukee.

Romulus Breaks Hamtramck Grid Spell, 7-0

Seestedt-To-Thomas Pass Gives Eagles 1st Victory

HAMTRAMCK - When Romulus gridders decide to win - they do it in a big way. The Eagles topped Hamtramck 7-0 on Friday to pick up their Twin Valley Conference opener - but the victory had triple significance; it was coach George Pratt's first league win as head coach since taking over last year and it also was the first time in the history of the two schools that Romulus emerged as the victor.

And since Hamtramck has decided to move out of the Twin Valley Conference at the end of the school year, it's unlikely that the Cosmos will take the opportunity to avenge the league loss.

"It feels pretty good to finally win one in the league," said coach Pratt who used many a superlative to describe his defensive unit. "The boys put everything they had into this one."

"If we continue to play the brand of ball we did against Hamtramck I'm optimistic that we will win a couple of more games before this season is over with."

Romulus marched from its own 40-yard line to the Cosmos one in the first minutes of the game with fullback Dave Brown grinding out most of the yardage but Hamtramck's defense refused to yield the final yard.

It wasn't until the third period that the Eagles got the touchdown which proved to be the decisive score.

After controlling the ball most of the third period, Romulus gambled on a fourth down and 12 to go on their own 40 yard line situation. The Eagles went for the yardage and quarterback Paul Seestedt connected on a pass to right half Rance Thomas who sprinted the distance for the TD.

Chris Glinki made good on the extra point to give the Eagles the lead.

Romulus missed on two other good scoring opportunities - one in the second period when they marched to the Hamtramck 20-yard line where they found the remaining 20 yards expensive real estate. And in the fourth quarter, Thomas almost galloped through after picking up 25-yards but was tripped up by one of the Cosmos' safetymen.

Eagle defense kept Hamtramck in check, holding the Cosmos to minus 30 yardage while the offense accumulated a total of 200 yards and nine first downs.

Linebacker Phil Derwinski distinguished himself in the opener with 11 tackles to show the way while teammates Gary Stanek zeroed in on seven runners from his inside guard post.

Ends Glenn 'Pug' Dugan and Gary Martin proved tough at their posts.

Romulus comes home Friday to take on one of the toughest "independent" teams in the area, Lincoln Park, which has lost only one game to Fordson - will be coach Pratt and the Eagles' guests at 3:30 p.m.

That game is a nonleague encounter.

CAUGHT FROM BEHIND - Belleville's John Yocum (15) finds the road to Bentley territory rough as he is caught from behind and hauled down in the above play. His teammates also didn't get too far Friday night against their Suburban Six Conference rivals who blanked the Tigers 23-0 to spoil coach Jim Richendollar & Co's debut in the league.

After Losing to Bentley, Champs Next for Tigers

BELLEVILLE - There'll be no rest for coach Jim Richendollar and his Tigers this week after the shutout handed them by pre-season Suburban Six Conference title favorite,

Livonia Bentley, Friday night. Belleville flies out of the fire and into Allen Park's arms.

Allen Park Ruins Tiger CC Debut

BELLEVILLE - Allen Park's harriers ruined Belleville's Suburban Six Conference debut last week with a 1-2 punch and a 20-40 victory over coach Marland Howard's Tigers.

The best the Tigers could do was a third place finish by Allen Park who ran the two-mile course in 11:50. Teammates Ken Quinley and Steve Eller were fifth and tenth, respectively, while Jim Smallish and Gary Bodenmiller were 11th and 12th.

Earlier in the week a strong Edsel Ford cross country squad picked up a 17-44 nonleague victory over Belleville.

Belleville ran Cherry Hill and Willow Run in a triangular meet last night and returns to league competition with Trenton on the schedule for Friday.

The Jaguars, the league's defending champs, aren't in any mood of relinquishing their title to anyone and to keep alive in the race they'll have to dispose of Belleville.

The champs tuned up for the battle with the Tigers with an impressive 34-14 victory over Redford Union while the Tigers lost their second straight (their first in the league) to Bentley, 23-0.

Again, Belleville's defense excelled but the Tigers couldn't put together any sort of offense to go with it.

Bentley got on the scoreboard in the first period when Billy Rice caught quarterback John Yocum in the end-zone for a two-pointer. The Tigers then shut out the Bulldogs until the third period when Bentley scored once on a one-yard plunge by Kim Malone.

LeRoy Watson and Bob Cascaden accounted for the other two Livonia tallies in the fourth period.

Livonia, meanwhile, held the Tigers in Belleville territory most of the game. The farthest penetration by coach Richendollar's boys was to the Bentley 32-yard-line.

Mike Kowalski came up with a stellar performance at defensive end for the locals while most of the 100 yards earned by the Belleville offensive machine was contributed by halfback Bruce Bara.

"We're running into another tough football squad this Friday," commented Coach Richendollar of his next opponent. "Allen Park is expected to repeat, so they must be tough."

"But we're going to give them a game when they get here, you can count on that," he said.

Kick-off is at 8 p.m.

Flyers Fall To Heights Grid Teams

The Flyers, representing Romulus in the Western Suburban Conference Little League, were turned back in all three divisions on Sunday - but the local teams showed a marked improvement over their previous performances.

The Varsity squad, although it yielded to its peer 12-0, proved that they could play. The defense, led by George Sedlacek, Tom McGhen, Pike Walker, Mike Hunter and Don Hamis, pushed back the Cubs on several drives.

It was the offense which sputtered.

In the other two games, the Junior Varsity was shutout by the Dearborn Heights squad 24-0 while the Freshmen sustained a 27-0 defeat at the hands of the Cubs.

Romulus will face the Garden City Panthers next Sunday with the first game scheduled to start at 1 p.m.

The Michigan Department of State reported that through Sept. 17 with 3-1/2 months still to go in 1968, nearly 161,000 instruction permits had been issued, as compared to 159,500 for all of 1967.

Airport Blanks Huron

Airport landed into Huron's end zone three times in the first half and that was sufficient for the Huron Conference grid powerhouse to pick up its second league victory, 20-0.

Coach Tom Grange went into the game without the services of first-string quarterback Randy Clark who has sustained an arm injury and is out for the remainder of the season.

In his place, coach Grange moved up sophomore Tommy Umin who handled himself commendably in his debut. Umin took his team down to the two-yard line before time ran out on the Chiefs at halftime and, in the second half, the Chiefs also got inside the Airport 20-yard line but their passports for TDs were checked by fumbles.

"We do everything but score," said coach Grange commenting on his team's second loss in the newly-organized Huron Conference league. "Our boys near paydirt territory, then fail to cash in," he said.

Most of the running and ground-gaining for the Chiefs was earned by halfbacks John Johnson and Glen Dregansky.

Two brothers figured into Airport's scoring with Ron and Dennis Elliott each crossing the Huron goal line once on short

sprints. Also picking up TDs was Doug Foster while Chuck Malone booted two conversion attempts.

Huron has another tough one on the schedule for this Friday night. The Chiefs run in a triangular game which is slated to begin at 7:30 p.m.

Blissfield shut out Grosse Ile last week 18-0 for its second consecutive victory.

FROM THE OUTSIDE

Bears, Name Of the Game

By TOM ISLEY
Outdoors Editor

Michigan hunters are again preparing to go forth in search of the state's big game while already there are reports coming back to us of some local hunters who bagged their game.

A Garden City father and son combination teamed up to bag a 600-pound bear in the woods outside of Newberry, Michigan. And that hunting experience won't be forgotten for some time.

Robert Minch, of 31944 Brown, and his son Michael, 21, heard a growl and looked up to see the huge animal facing them.

"Someone had apparently wounded him before we got to him," said Michael, "and the beast really looked weird. My father took a shot at him and the animal took off."

The younger Minch related that he and his father followed and later found the bear still

alive in a patch of woods. He said the bear was ten feet away when the animal took off again and he fired and hit him behind the head.

The Minches, who have been hunting bear for four of their 12 years, said it was the first time they've actually killed a bear.

While bear hunting continues to be one of the big attractions across the straits, there has been no bear hunting in the lower peninsula for a number of years. Yet, each year a certain number of bear are accidentally shot by hunters in the lower peninsula during the regular deer season.

The only answer to the problem of having the state's dwindling bear population preserved in the lower is probably a very unpopular one for the sportsman. Moving the season for deer further ahead in November would help assure more of the bear find their hibernating shelters before the onslaught of the hunters.

Mild fall weather sometimes has delayed the annual hibernating of bear in the lower and they can be seen by hunters even after November 15th and more of them would probably be shot if it wasn't for the fact they are nocturnal creatures who make themselves scarce in the daylight hours.

Bear hunting regulations in the upper peninsula are rigid and while allowing for an annual harvest of the population assure there will be bear left for future seasons. Shooting restrictions are strictly enforced and there is no night time hunting allowed which would make the bear easy prey for the hunter who stakes out a garbage dump (most of which are off limits for hunters.)

Hunting bear offers the sportsman a real challenge. Few are taken each year and it is a lucky hunter who succeeds in bagging one.

We have to doff our cap this week to the Minches who did succeed in getting their bear. And their average isn't too bad for bear hunting with one kill in four years of trying for a most respectable .225 average.

Tri-City Women Begin Bowl Year

WAYNE - The Tri-City Women's Bowling Association, made up of keglars from Romulus, Garden City, Wayne, Westland and the outlining communities launch their season last week at various lanes throughout the area.

In the Monday Nite Swingers League, Barb Dwyer and Nancy Dawson turned in identical series of 499 while Dee Smith and Pat Mills recorded a 471 and 529, respectively. Dee MacCallum also had an impressive 551.

At Westland Bowl, Hank Gniwew carded a 2549 team series.

Miss MacCallum also had a 569 series, putting together games of 163-191 and 215.

The Tri-City meets every third Sunday of each month for league presidents and

representatives but anyone interested in attending these meetings held at the Hawthorne Valley Country Club are welcomed to attend.

On Oct. 20 at 2 p.m. the fall Open Meeting will also be held in order to vote on the host city of the annual Tri-City Tourney as well as to elect delegates and alternates to National Convention (WIBC) which will be held in San Diego. Also to be elected will be delegates and alternates to the Michigan Women's Bowling Association to be held in Miland, Michigan.

For further information of Tri-City Bowling Association affairs, call 728-6969. The secretary's hours are 9 a.m. to 9 p.m. every day except on Sundays.

Mrs. John Tator Named UF Chairman

BELLEVILLE — A Belleville homemaker has been named a division chairman in the residential campaign for the 1968 Torch Drive. Mrs. John H. Tator, 365 High, received the appointment replacing Mrs. Robert L. Pullen, who has moved from the area. A graduate of the University of Michigan, Mrs. Tator will be responsible for recruiting, training, and organizing Torch Drive volunteers to conduct house-to-house solicitations during the 23-day campaign. Mrs. Tator and her husband, a Belleville dentist, are the parents of two grown children. The 20th annual Torch drive, scheduled Oct. 15, through Nov. 7, seeks \$27,550,000 for nearly 200 health and community services in Wayne, Oakland and Macomb counties.

MRS. JOHN H. TATOR

Club OK's Cityhood

ROMULUS — The Romulus Township Democratic Club membership approved the recommendation of its Executive Board and voted to endorse the City Status Proposal for Romulus Township. This action was taken at the regular meeting held Sept. 19, at the V.F.W. Hall. The City Status Proposal will be on the Ballot in the Nov. 5 general election. The election of a Charter Commission will also be decided. The Charter Commission candidates endorsed by the Democratic Club are: Gordon Zavitz, Alfred J. Perry, Jesse Tryon, Mrs. Marie Diane DeBuyscher, Alfred Lucke, Terry L. Troutt, Eugene Wilson, James Foley and Felix Rogalle. Andrew Jackson's father died a few days before he was born.

we care

our managers have taken over!

This is a special week.

We call it Managers Week.

They've taken over the store.

They've planned a terrific thrift event.

Storewide values that you'll recognize as "first-aid" for your ailing budget.

Why this special week?

First, to express special appreciation to you.

Second, to honor our managers.

Third, to give us a chance to prove "We Care".

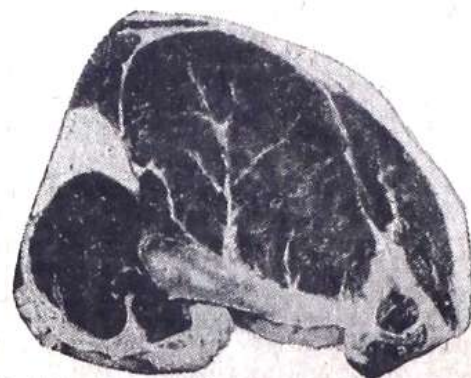

If you're a regular A&P customer, this week is for you.

If you've never shopped A&P, this is the week to test-shop A&P.

When you see the savings on your total food bill, when you experience the warmth of being cared about, we think you'll come back time and time again. Millions do.

ROMULUS TOWNSHIP BOARD MINUTES

MINUTES OF THE PUBLIC HEARING AND SPECIAL MEETING OF THE ROMULUS TOWNSHIP BOARD HELD AT BEVERLY ELEMENTARY SCHOOL ON SEPTEMBER 11, 1968.

The meeting was called to order by the Supervisor, Edmund Bizek, at 8:10 P.M. Board members present were Jimmie Raspberry, Edmund Bizek, Alfred Perry, Ellis Pennington, Norbert Wegienka, absent James Stewart and Joseph Wallis. Additional personnel present: Warren Reynolds from Parkins, Rodgers & Associates and George Wilhelm, Romulus Township Urban Renewal Director. Mr. Bizek, declared the Public Hearing opened to discuss the question of the establishment of a "District Area" for the Urban Renewal Project, known as the Wayne-Beverly Urban Renewal

Project Mich. R-187, in conformance with the requirements of State of Michigan Public Law Act 189, Public Acts 1968. Mr. Wilhelm was introduced. He explained the purpose of the meeting and gave a little of the background into the purpose of this Public Hearing and the history behind the passing of Public Law 189. Mr. Wilhelm then explained the main provisions of the act having to do with establishment of a District Area and the selection of a Citizens District Council. He went on to further explain the responsibilities of the Citizens District Council and that the method for establishing a Citizens District Council would be discussed at a future Public Hearing, to be held on September 16, 1968. Mr. Wilhelm then outlined the boundaries of the proposed District Area, they are

generally to be Howe Rd. on the East, C & O on the West, Van born Road on the North, and Ecorse Rd. on the South and conform to the boundaries of the General Neighborhood Renewal Project Mich. R-82GN. He then went on to explain that many communities involved in Urban Renewal, including Romulus Township, have been working along basically the same lines as outlined in the law. The Wayne-Beverly Planning Committee, under the chairmanship of Rev. Alexander, has been assisting the Urban Renewal Department in the planning process in the Urban Renewal program for the past 18 months. After pointing out that the purpose of this Public Hearing was to establish the boundaries of the District Area, Mr. Wilhelm then asked for any questions or discussion from the floor.

Those taking part in the discussion from the audience were Mr. Harold Dugas, Mr. Thomas Coleman, Mr. Leonard Folmar, Mr. Gray, Rev. Alexander and Mrs. Wilson. Some of the questions were as follows:

Q. If we are to vote on Urban Renewal tonight, should we not know what is to be done with the land Urban Renewal buys and what are their proposals?

A. We are not really voting on whether or not to have Urban Renewal tonight. There will be many more meetings before Urban Renewal is finally approved. Tonight we are just trying to establish that area which will be affected by the proposed Urban Renewal Program and establish a boundary by which we can select a Citizens District Council.

Q. If this is going to be a residential area, what price and type of houses will be built in the area and will the people living here be able to afford them?

A. Although this is somewhat beyond our question tonight and because the detail planning has not been completed, I can not tell you at this time what type of housing or price of housing will be built in the area. But I can assure you that the needs of the community and particularly those to be relocated will be first priority and that by law we are required to provide adequate housing within the means of all those to be relocated. This housing must be within the limits of the municipality.

Q. If the people at this meeting don't approve of this area tonight what will happen to Urban Renewal?

A. The responsibility for approving or not approving the District Area is that of the Township Board. The purpose of the Public Hearing is to assist the Board in establishing that District Area by getting the comments and suggestions of the community to be affected. I am certain that the Township Board will act upon the recommendation of those present at the Public Hearing and that the District Area will be that area agreed upon at this meeting.

Additional comments came from the floor, all in the support of the proposed District Area. After all present had had an opportunity to express themselves, Mr. Bizek, as chairman, declared the discussion closed. He then called for a vote by the residents present on the proposed boundaries by show of hands. The vote was unanimous by the residents present that the proposed boundaries be accepted. Mr. Bizek then declared the Public Hearing closed.

Mr. Bizek, chairman of the Township Board, called to order a "special meeting" of the Township board for the purpose of acting upon an ordinance to establish a District Area in conjunction with the Wayne-Beverly Urban Renewal Program as required by the State of Michigan under Public Law No. 189 of the Public Acts 1968. The clerk called the roll: present were, Mr. Bizek, Mr. Perry, Mr.

Romulus, New Boston Methodist Join in Communion Sunday

ROMULUS -- The Community Methodist Church of Romulus and the Methodist Church of New Boston will join with other Christians

around the world in observing the 28th Anniversary of Worldwide Communion Sunday, Oct. 6, it is announced by Rev. Frank Leineke, pastor of the two local churches. This celebration, which emphasizes the faith which draws men together, will be the first time that United Methodists observe The Lord's Supper on the same day. A United observance of Holy Communion was the first action of the EUB and Methodist delegates at the United Conference held last Spring in Dallas. The United Methodist Church has authorized an offering for the Fellowship of Suffering and Service on Worldwide Communion Sunday. This is a tradition carried forward from the former Methodist Church.

THE OFFERING is divided equally between overseas relief work and ministry to the serviceman and his family. Through the United Methodist Committee for Overseas Relief, often in cooperation with interdenominational agencies, immediate help is available in the wake of disaster. UMCOR also carried forward longer range programs of relief and rehabilitation. In recent months help has been given in Latin America, Africa, the Middle East and in such places

Respectfully submitted,

Vote Lists Increasing

ROMULUS — New vote registrations are coming in at a rapid pace, Alfred J. Perry, township clerk, reported.

In an all-out community drive to get residents to register to vote (that began on Sept. 19) some 440 residents have gone to one of five vote registrations stations up to Sept. 26.

The total number of persons now registered to vote in the Nov. 5 general election on Sept. 26, reached a new high of 7,169 registrations. This compares with a vote registration of 6,729 prior to the August Primary Election.

THE DRIVE will continue in Romulus until Friday, Oct. 4 deadline for registering to vote

in the November election, Perry reported.

Registrations are being taken at the following locations:

Romulus Township Hall, 36572 Goddard Road; Urban Renewal Office, 6446 South Wayne Road; Romulus Post Office, 11189 Shook Road; Secretary of State Office at the Romulus Department Store, 36535 Goddard Road, and two mobile units donated by the Belle Mobile Homes Sales, Inc., of 7350 Belleville Road, to the Local 600 of UAW-CIO for vote registrations.

The Township Hall will be opened until 8 p.m. Oct. 4 to take registrations, Perry said.

AIR TRAVELERS TODAY can enjoy first-run motion pictures on wide screen and listen to up to nine channels of audio entertainment, most in stereo. This is just a portion of the "time passer" diversions that the major airlines already have installed as part of the flight. The first time air traveler will be awed by the passing of time on reaching his destination.

So Step Into This Flying World

By Bill Balogh

AFRAID TO FLY? Well, its about time you faced it, the airplane is here to stay. It has become not only a very common way of travel, but the safest, fastest and easiest in the world. So it's about time you got your feet off the ground, if you are still of that old school who keeps saying, "Not for me. I'm too afraid to fly".

So this week "This Flying World", after close consultation with several airlines at nearby Metro Airport, will brief you future flyers who have yet to take your first airplane ride. So read this step by step story of how you too can step into the jet age and really become a part of this Flying World.

Remember when you first started to learn to swim? Or ride a bicycle? Or as a fresh bride trying to cook for a husband? It all seemed awfully confusing and complicated didn't it? But, once you got the hang of it, it turned out to be pretty easy after all.

So, when you start to plan your first air trip, it may all seem pretty complex too; how to make a reservation, how to check in at the airport, where to stay once you get there, how

much clothing to take and a dozen or more other details that frighten you to death.

Once again you will learn, that once you get the hang of it, traveling by air is just plain duck soup. Last year over 81 million passengers traveled on U.S. airlines. They had a variety of missions: Transaction of business, visiting friends and relatives, maybe just a hard-earned vacation, a move to a new city or to just experience new sights and sounds.

Why did they go by air? The biggest prime reason is because the ease and speed of air travel allows people more time to spend at their destinations and less time away from home.

When you have decided when you are going, it is essential to make plane reservations as early as possible. Of course the easiest way is to consult a travel agent. These men and women are experts on all phases of travel. They will be happy to help you with itineraries, plane and hotel reservations and any other details for your trip.

Most airlines offer a family plan, with the head of the family paying a full fare and a generous discount for other family members under 22 years of age.

At most of the larger airports, a skycap will meet your car and check your luggage right at the door of the terminal. He will direct you to the gate from which your flight will depart and all you have to do is walk to it.

As you board the giant jetliner, a stewardess will be at the door and help you find a seat and get settled. Before the airplane takes off, you may want to look over the material in the pocket on the back of the seat in front of you. Among the things, you will find a route map, if you are a good navigator you can follow your progress all along the route of your flight; plus many other interesting bits of information about flying and other services available to air travel passengers.

Once you are off the ground, and flying in a jet aircraft, you will hear very little engine noise, but at some locations in the cabin you may detect a noise of the sound of air as it rushes past the fuselage. In a piston-engine airplane you would continue to hear the heavy throbbing of the engines. Actually some people find this sound so soothing that they are soon lulled to sleep as they fly.

During your flight, from time to time, you may notice that the engine sound changes slightly as the captain changes the throttle settings. This perfectly normal sound is very similar to little sounds you hear in your automobile engine as you shift from one gear or speed to another.

If it is time for breakfast, lunch or dinner, the stewardess will serve you. There is no extra charge. On most scenic flights the captain will point out cities and geographical features over the route which you are flying.

Stewardesses are always happy to answer any questions about the airplane or the flight. They are always happy to fetch you a glass of water, coffee, a pillow or a blanket and, in general, help make your flight more comfortable.

Incidentally, stewardesses or any other airline employees are allowed to accept tips.

On your first trip, chances are you will be too busy enjoying the new sensation of flying—looking out the window into this new tiny world where everything down below looks like doll houses and dinky toys—you probably won't be wanting any other diversions.

You may look across the aisle and note how the veteran air traveler finds that airplanes are a wonderful place to catch up on reading, paperwork or just sleep. On many airlines today you may enjoy watching a first-run movie or television, or just relax while listening to classical or light music on your own stereo headset.

When you land, the captain will taxi the airliner to a specific gate at the terminal. Signs will direct you to the baggage claim area. If you miss the sign, there are always plenty of uniformed airline personnel who can point you in the right direction.

Facts and figures show that most people are confirmed air travelers after their first flight...so try it...bet you will be one, too.

Charter Candidate Blasts Branigan On Home Rule

PLYMOUTH—A candidate for the Wayne County charter commission from Plymouth Township has accused County Clerk Edward Branigan of "short-sighted and perhaps even selfish" motives in opposing county home rule.

Donald C. Morgan, an attorney seeking nomination to the charter commission in the 27th District Republican primary Nov. 5, said his remarks were prompted by Branigan's recent speech before the Plymouth Businessmen's Forum in the Mayflower Hotel.

"I know Mr. Branigan is a politician of great experience," Morgan said, "so it is difficult for me to understand how he can oppose county home rule."

Branigan had told the businessmen: "I am opposed to anything that will mean more taxes, and home rule for Wayne County can't mean anything but more taxes."

"That just is not so," Morgan said, "and Mr. Branigan should know better than to toss that red herring at the voters."

"He knows that the taxes are never going to go any higher than

the voters will allow them to go, no matter what form of government we have.

Donald C. Morgan

"The real issue," Morgan asserted, "is how much longer the outcounty areas are going to put up with second-class services and buck-passing bureaucrats."

He said a home rule charter, including provision for a full-time county chief executive officer, would actually allow consolidation of many county jobs and a saving to taxpayers.

"The problem with the present setup is that one office, such as the County Clerk, duplicates the work of other offices. This duplication—and the added expense to taxpayers—is amazing."

Morgan added, "Mr. Branigan's job is a good example of how consolidation would help save money. Right now, the county has a clerk whose salary on Dec. 1 will go up to \$26,500 a year and at the same date the Register of Deeds will receive a raise to \$23,000 a year.

"Yet," noted Morgan, "there isn't a single good reason why these two jobs couldn't be combined. The result would be a more efficient and more economical operation for the keeping of public records."

Morgan, 28, lives with his wife, Judy, at 15127 Amber Court, Plymouth Township. He is the only attorney among three Republicans seeking the GOP nomination in the 27th Charter Commission District. The district includes all of the city of Belleville and the Townships of Huron, Canton, Romulus, Sumpster, Plymouth and Van Buren, along with the city of Plymouth and the southern-half of Taylor.

it's 'Official' in Associated Newspapers

No matter where you live in Western Wayne County, one of the FIVE Associated Newspapers is the official legal publication of your community!

WHAT DOES THIS DESIGNATION MEAN?

TO YOU

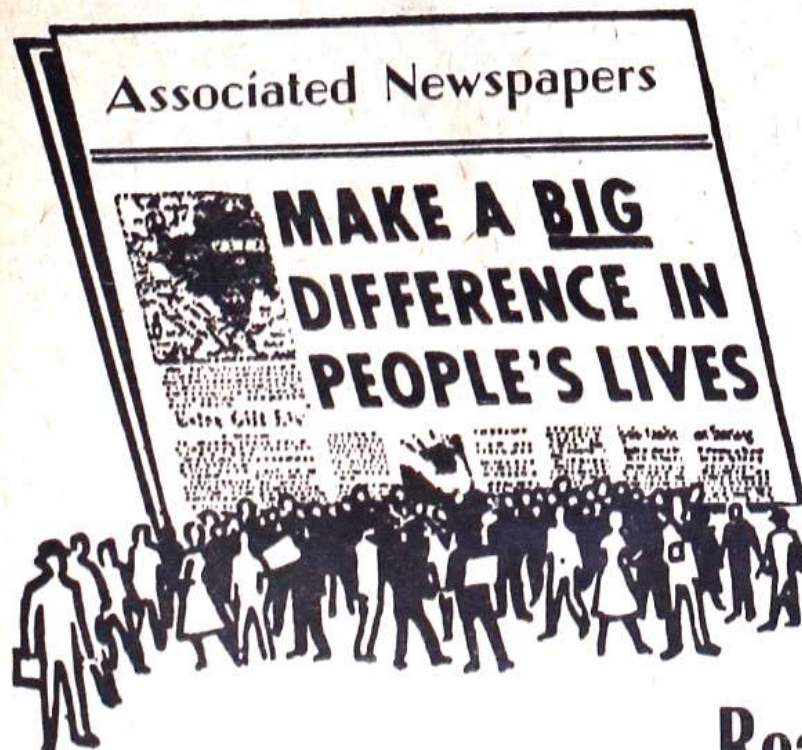

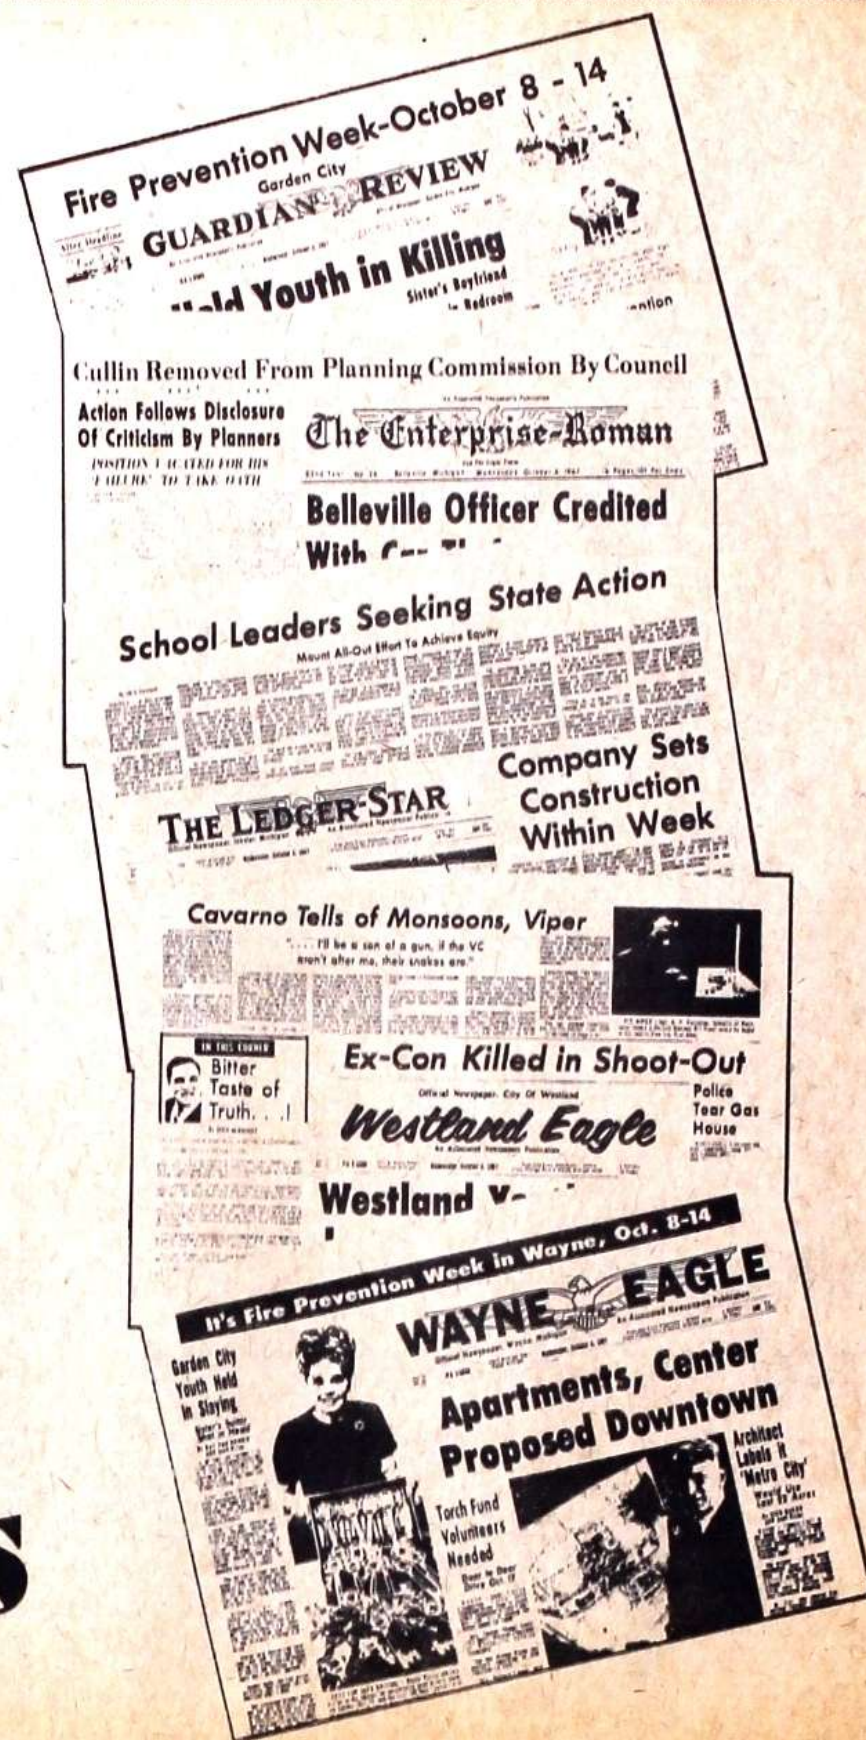

It means that ONLY in an Associated Newspaper can you find the official actions of the various governmental bodies in your community. Western Wayne County is on the move. . . It's a vigorous, progressive area. New zoning ordinances are being approved . . . planning commissions are making decisions that may affect you and your property . . . your city council or township board may pass special assessments. . . changes are being considered in tax procedures. . . election details are vital. It is important you know of these varied actions---many of them affect you and your neighbors. And remember---ONLY in an Associated Newspaper can you read the "Official Proceedings!"

TO US

This means the governmental unit responsible for selecting an official publication in each community has demonstrated deep respect for the Associated Newspapers by awarding them this designation. This has been true not just this year but for many years in most of Western Wayne County areas. We are genuinely appreciative for this expression of confidence!

IMPROVEMENTS PLEDGED

Conditions at Wayne County Jail Are Described as 'Deplorable'

Strenuous efforts to make improvements at the Wayne County Jail were pledged by county officials after they received a report which described conditions at the jail as deplorable.

Sheriff Roman S. Gribbs, who was appointed last June

after the study was completed and while the report was being prepared, said steps had been taken already to implement many of its recommendations.

The study, ordered by the County Board of Supervisors, was conducted by specialists from the National Council on Crime and Delinquency, the Citizens Research Council of Michigan, the Michigan Department of Treasury and the Wayne County Board of Auditors.

IN ITS report, the National Council on Crime and Delinquency stated:

"Inmates are cruelly and inhumanely locked in filthy, ancient steel cells and little attempt is made by jail administration to prevent the physical and mental deterioration and destruction of persons detained. Medical services are inadequate, sanitation standards are non-existent, inmates are not properly segregated, assaults among inmates are frequent, surveillance of inmates by the staff minimal, contraband weapons are prevalent throughout the inmate population, counseling services are unheard of, and deaths classified as suicide are a frequent occurrence."

Robert E. Pickup, executive director of the Citizens Research Council, told the sheriff's committee of the Board of Supervisors that the causes of those conditions "are many and varied."

"A primary problem appears to be the absence of positive goals of detention administration at the jail," he stated. "Other factors adversely affecting the administration and operation of the jail are improper administrative organization; poor administrative procedures; staff problems including poor training; improper classification of personnel; the absence of professional staff; and undermanned guard services; the detention of persons in the jail who could safely be released to the community or who should be served by some other agency or service; and overcrowded and inadequate physical facilities."

THE REPORT contained a total of 121 recommendations. "Working with the new sheriff and preliminary reports, we have started on many of the recommendations," said A.E. Vallier, chairman of the Supervisors' Sheriff Committee. "We will conduct an item-by-item review of this report with the sheriff and the

Board of Auditors and come up with recommendations for changes as soon as possible." Vallier added, however, that "it isn't going to be easy." As an example, he said it would cost an estimated \$1.5-million merely to bring the plumbing and electricity of the old jail up to code.

The jail was built in 1926. A modern annex was added in 1963, increasing its prisoner capacity from 923 to 1,297. Gribbs described the report as "magnificent," and said that he agreed with most recommendations.

Senior Club's Birthday is Tomorrow

BELLEVILLE — The Belleville Area Senior Citizen club will celebrate its second anniversary, Thursday, Oct. 3 at 7 p.m. at the Edgemont School. Ice cream and cake will be served. There will be five door prizes.

Mr. and Mrs. Louis A. Toth will be guests of the club.

New members of the club include Henry Agge and William Mason. If there are any citizens who are 50 years old who would like to join this friendly club they should come any Thursday to the Edgemont School at 7 p.m. Richard Coffelt, director, announced.

The October trip for the club members will be Saturday, Oct. 26. A trip to Canada to see Jack Minors Bird Sanctuary at Kingsville, Ontario, is planned.

A shopping tour to Westland may be planned if enough members sign up. Also a color tour.

Birthday for October are: Margaret Saunders, Paul Clark, Lois McCully, Francis Klotzel, Eleanor Gleen, Caryl Smith, Florence Fielder.

Anniversaries are Paul and Lydia Clark, Lloyd and Cecelia Freeman, William and Grace Gordon and John and Jennie Gras.

The Belleville Senior Citizens Club Garage and Bake Sale was a wonderful success, and the club members wish to thank every one who donated articles for the sale, also the people who visited it.

We specially want to thank the Van Buren Fire Department officials who donated the use of the fire hall. Thank you all.

recommendations he wanted to study further. They are: that operation of the jail be taken from the sheriff and put under a new agency; that the guards be reclassified from deputy sheriffs to corrections officers; that various changes be made in the administrative structure; and that a new jail be built.

Gribbs strongly endorsed a recommendation that a professional jail administrator be hired to run the jail. Gribbs said he, the sheriff, would set broad policy, with the administrator handling day-to-day operations.

The National Council on Crime and Delinquency recommended that the jail be put under the Michigan Department of Corrections or be made an independent county department.

Gribbs said the courts are no longer sentencing short-term offenders to the jail, as has been the practice in the past. Thus all the prisoners at the jail are awaiting trial, except for a few trustees working in the kitchen, he stated.

Gribbs and Vallier listed other improvements made since Gribbs took office. These included: a "paint-up, fix-up" campaign; improved dietary standards; removal of women prisoners from the jail to Detroit House of Correction; plans to hire a full-time medical director and to open an emergency psychiatric clinic for suicidal prisoners; and agreement by the courts to increase use of proven tests for determining whether an accused person may be released on bond rather than jailed while awaiting trial.

Other members of the Supervisors' Sheriff's Committee are: Brownstown Township Supervisor Donald D. Mahoney; Melvindale Mayor John R. Kessey; Allen Park Councilman Osborn P. Dunn; and appointed Detroit supervisors Luther E. Simmons, Tibor Payza and Alfred A. May.

ON HOME RULE

Wayne County Charter Candidates Attend Meet

Nearly 200 of the 265 candidates for the proposed Wayne County Charter Commission attended a meeting with top county officials to discuss the county home rule proposal which will be on the Nov. 5 election ballot in Wayne County.

The candidates were given a briefing on how home rule could modernize Wayne County government and on what their duties would be as members of the charter commission which would draft a county home rule charter for submission to the voters.

Those who addressed the meeting were Dearborn Heights Mayor John Canfield, chairman of the County Board of Supervisors; Avern Cohn, who was chairman of the Citizens Committee of 99 which recommended that the home rule question be placed on the ballot; County Auditor Richard H. Austin; and Detroit

Councilman Mel Ravitz, who appointed the Committee of 99 while he was chairman of the county board.

It was emphasized at the meeting that county home rule would make possible modernization of Wayne County's present "horse and buggy" governmental structure without infringing in any way upon local government and without necessarily increasing the cost of county government.

Ravitz pointed out that the efforts of the Charter Commission candidates will have been in vain unless the separate County Home Rule proposition which will be on the ballot is passed.

Americans will spend about \$2.7 billion on sporting goods equipment this year, according to the National Sporting Goods Association, an increase of 6.2 percent over last year. Most will go for boats and boating equipment.

Maxwell Receives UF Post

ROBERT A. MAXWELL

ROMULUS — Robert A. Maxwell, vice-president of Kelsey-Hayes Co., has been named to a leadership position in the 1968 Torch Drive.

Appointed a team captain in the community business campaign, Maxwell will direct a group of Torch Drive volunteers as they solicit local firms during the upcoming drive.

A graduate of the University of Maryland, he is a member of the Society of Automotive Engineers.

MAXWELL SERVES on the advisory council of the National 4-H Foundation, and also holds memberships in the Detroit Athletic Club, Recess Club and Bloomfield Hills Country Club.

He and his wife, LaVonne, reside in Bloomfield Hills.

The 20th annual Torch Drive, scheduled Oct. 15 through Nov. 7, seeks \$27,550,000 to benefit nearly 200 health and community services in Wayne, Oakland and Macomb Counties.

Are You Responsible?

BELLEVILLE — The Huron Valley Conservation Association is asking you this question.

At one time or other, did you throw an empty pop, or beer container, etc., in the lake or river you were at? If you did, then you are also responsible for polluting our state waters.

It is not only sewage that is

polluting our waters, it's anything and everything that does not belong in the water, that is causing pollution.

We in the Midwest area are having the dubious distinction of polluting the body of water ever destroyed by man—Lake Erie. Unless we take drastic action, we will break that record and destroy Lake

Michigan. Also, our famous Au Sable River is in danger of being added to the already too long of a list of polluted rivers.

THE STATE has already taken a get tough policy with Communities on sewage collection and treatment systems.

Well, you can help your community and other communities with that one thing — money. It is going to take a lot of money — to curb this waste of our greatest natural resource.

At the Governor's request, the Michigan Legislature, has put on the ballot for the November, 1968 election a \$335-million bond issue to correct this evil.

THE FUNDS proposed would go in part to provide 25 percent state grants for the full \$568,209,744 program estimated to be needed for a statewide treatment plant and interceptor sewer construction program. This would make all projects within that program eligible for 50 percent federal grants, and would also prefinance a portion of the federal grant funds to insure immediate availability of the full 50 percent federal grant funds. This would leave 25 percent of project costs for municipal financing.

These funds would also include \$50-million to aid smaller communities in financing lateral sewer systems essential to the treatment plant program, either through direct loan or through underwriting municipal loans from other sources, to provide favorable interest rates.

This sounds like a lot of money, however, it will never cost less than it does today. It is going to take time—ten-twelve years if we start today, longer if we tarry.

Every one wants clean water. Now is your opportunity to do something about it.

The Huron Valley Conservation Association, stands with the Governor and the Michigan Legislature on this bond proposal on the November ballot and urges you to vote "yes," let's save our "water wonderland."

New IRS Ruling Aids War Orphans' Schooling
The Veterans Administration today had good news for the taxpaying parents and guardians of an estimated 42,000 dependents going to school under the War Orphans Educational Assistance Act. Payments to "war orphans" are now regarded as scholarships and are not to be counted for income tax purposes in determining whether the dependent received more than half of his support from the taxpayer. Under the law, "war orphans" (children of veterans who died or are permanently disabled as a result of military service) are entitled to monthly benefits of \$130 for full-time enrollment, smaller amounts for part time. According to the VA, a recent Internal Revenue Service ruling calling such payments "scholarships" reverses an earlier finding. Previously these educational allowances were regarded as being contributed by the student when determining who furnished more than half of the student's support for income tax purposes.
